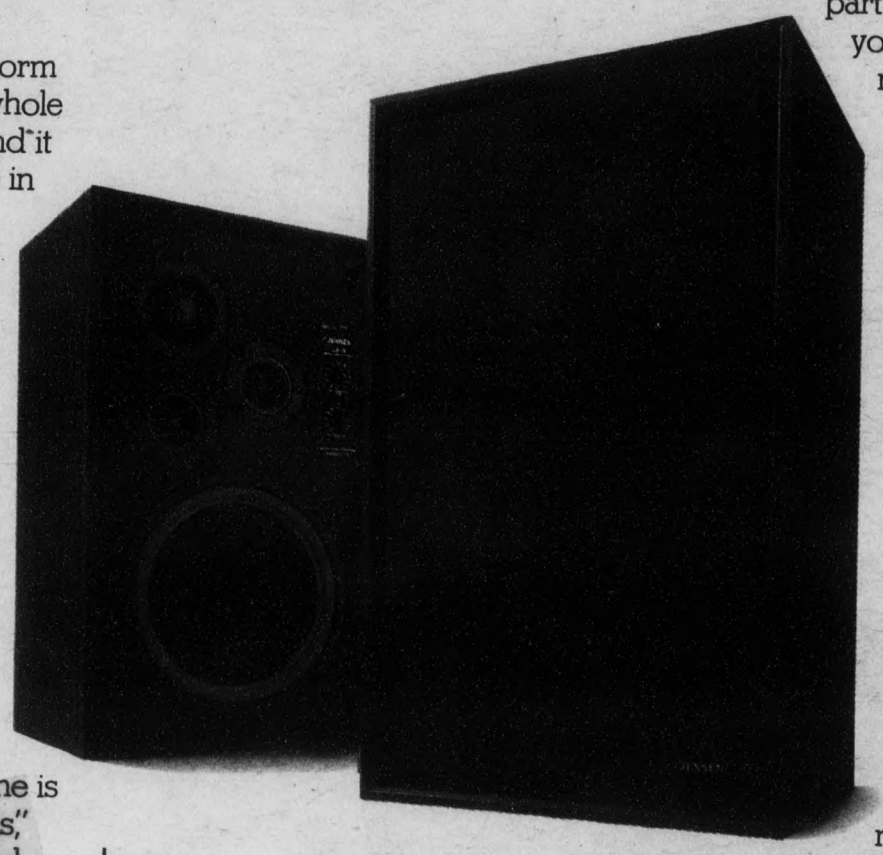
Total Energy Response:

The reason why Jensen Lifestyle speakers sound better than any comparable speaker.



Just what is Total Energy Response?

Total Energy Response is the uniform radiation of sound throughout the whole listening area—at all frequencies. And it makes an unquestionable difference in the stereo sounds you hear.

Most speakers are to one degree or another directional. That is, part of the room in front of the speaker gets the full sound. Bass, treble and midrange. While parts of the room to the sides of the speaker get just a fragment of the sound. (See Fig. A)

It's precisely this fault we set out to correct. Because others may tell only part of the story. Often with just one response curve measured from just one position—their optimum position.

However their results don't look so favorable when the test microphone is moved "off-axis," that is, to the side instead of directly in front of these speakers.

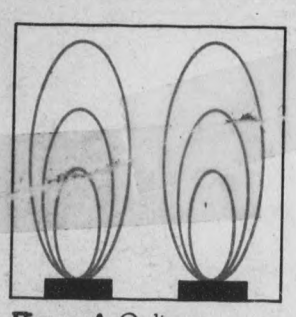


Figure A Ordinary Speaker Dispersion

Figure B illustrates this. It is a Total Energy Response curve, taken with test microphones in all positions. When comparing the Jensen (blue line) with a comparably priced "flat" speaker (red line), you can see how deficient the other speaker is in total radiated energy in the mid and mid-high frequencies. This midrange deficiency is unfortunately very common amongst speakers, and gives many so-called "flat" response speakers a very "thin" sound.

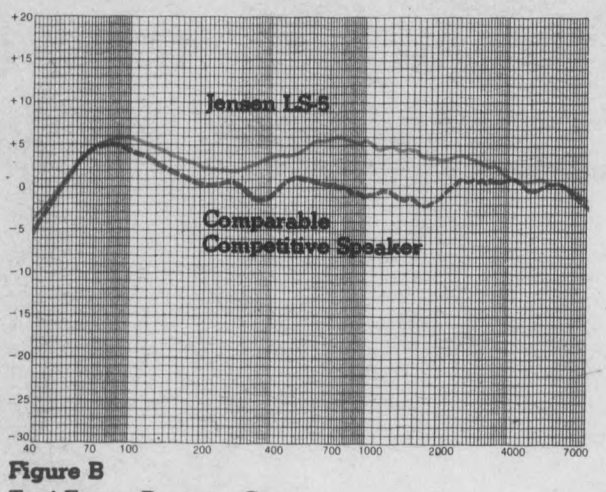

Figure B
Total Energy Response Curve

The Jensen Lifestyle speaker, on the other hand, demonstrates true Total Energy Response. Uniform radiated power—at all frequencies—throughout the whole room.

These speakers were conceived, designed and tested for this. Tested from every spot in anechoic "dead" rooms, reverberation "live" rooms, and simulated living rooms.

Our finished products: remarkable dispersion for the hard-to-disperse high frequencies... 160° or 170° wide, depending on the model. Also expanded dispersion of the critical midrange response. And full, rich bass that still perfectly matches the other frequencies for accurate sound reproduction. The way it's *supposed* to be heard.

You can see how the sound from a Jensen is distributed much more evenly throughout a room. And when you're in your own listening room ...you can *hear* it.

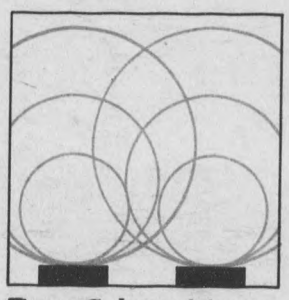

Figure C Jensen Lifestyle LS-5 Dispersion

What does all this mean to you?

1. It means that with Jensen Lifestyle speakers, you'll be able to hear all of the frequencies, all of the time, in almost any part of the room. Not just the bass if you're to the side of the speakers. And not just the treble if you're in front of them.

2. Excellent stereo imaging. You hear everything that *both* speakers are putting out. Almost anywhere in the room. Unlike listeners of other speakers, who can fall victim to gaps in the response characteristics, or "hole-in-the-middle" stereo.

3. Excellent balance. Many other speakers are hot on treble, or bass, or both. But all that really means is that the midrange is often neglected. Jensen sends the all-important midrange throughout a room every bit as much as the highs and lows.

4. Total Energy Response is achieved in Jensen speakers without any loss of efficiency. Which means a moderate output amp or receiver is still all you need for great performance. Not a big super-amp.

What gives Jensen Total Energy Response?

A number of features. First, the extremely wide dispersion of the Lifestyle Tuned Isolation Chamber™ midranges.

Especially important are Jensen's two tweeters: a 160° dispersion cone direct radiator, and the 170° dispersion Mylar® Sonodome® tweeter. The sound input to each of these drivers is precisely monitored by Jensen's exclusive Comtrac® crossover network, which insures uniform energy transfer between the woofer, midrange, and tweeter.

For final command of the Jensen Lifestyle's sound, behind-the-grille controls are featured. These controls let you adjust the treble, and in some cases, the midrange, to the characteristics of your individual room.

And with Total Energy Response... there's more music to control.

Hear the difference yourself...

Stop by your local Jensen dealer and hear for yourself the difference Total Energy Response makes. It's the reason why Jensen Lifestyle speakers sound better than any comparable speaker.

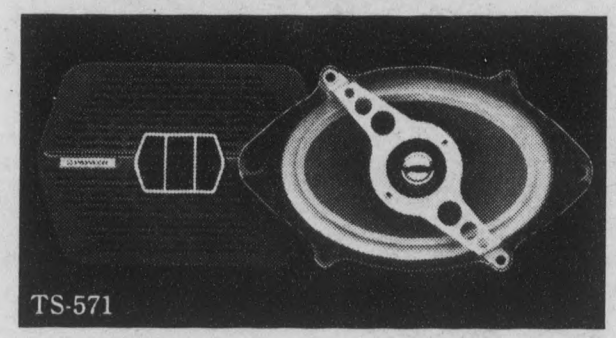
DON'T SCREW IT UP WITH SOMEBODY ELSE'S SPEAKERS.

It pains us, to hear a Pioneer car stereo through anybody else's loudspeakers.

It pains us because we probably make more high-fidelity speakers than anyone else. Some two-dozen different varieties of car speakers alone.



TS-571

We know what goes into ours. And we know what goes into the other leading brand.

In Pioneer speakers, we use honest, one-piece ferrite magnets. We don't try to fake it with sandwiched magnets, because shortcuts like that increase flux leakage and reduce efficiency.

In Pioneer speakers, we use specially developed cone papers, some with polyurethane-coated cloth edges for high linearity and high compliance. We don't take chances on lesser materials, with poor stability and heat resistance.

In Pioneer speakers, we use more-stable high-frequency cones. We take special precautions for weather and temperature resistance.

And now that you've read about us, hear us.

Ask your car stereo dealer to play the other leading speakers, then Pioneer.

And, believe us, you won't need the ears of a Leonard Bernstein to hear the difference.

SCHEDULE ADJUSTMENT PERIOD ENDS AT 4:00 P.M., SEPTEMBER 6, 1978

USING THE FIRST EDITION

The **FIRST EDITION** of the Schedule of Classes should be used only **DURING PREREGISTRATION.** Sections or courses may be cancelled and/or added as a result of class enrollment trends observed during Preregistration.

The **SECOND EDITION** of the Schedule of Classes should be used **AFTER PREREGISTRATION SCHEDULES ARE MAILED.** The Second Edition reflects changes made to course offerings since the First Edition was printed. It shows courses and/or sections added and omits courses and/or sections deleted since the First Edition. Thus courses may appear on the Preregistration Schedule Card that exist but that did not appear in the First Edition.

ARMORY PROCEDURES

Priority for New Students and Special Problems

Newly admitted, reinstated and readmitted students who were unable to preregister and those students meeting the criteria for Schedule II will have priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of preregistration and thus avoid the necessity of going to the Armory.

SCHEDULE I — Nonpreregistered newly admitted, readmitted, and reinstated students
Monday, August 21 — 8:30 a.m. to 3:55 p.m.

This schedule will apply to newly admitted, readmitted, and reinstated students who did not preregister. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. Newly admitted students must present their Letter of Admission, signed by their Provost, Dean, or designated representative, to be permitted to enter the Armory. Readmitted students must present their Letter of Readmission and reinstated students must present their Letter of Reinstatement to be permitted to enter the Armory. While advisement is not a prerequisite for Armory admission for readmitted and reinstated students, these students are strongly urged to take advantage of campus advisement offices. Only students who had no opportunity to preregister may register according to this schedule.

SCHEDULE II — Partially Scheduled Preregistrants
Monday, August 21 — 4:00 p.m. to 6:00 p.m.

This schedule will apply to students who request 9 or more credits in preregistration but receive 8 or less and to students who request 8 credits or less and do not receive the number they request. Students in this category will be notified of their eligibility for Schedule II by a message on their preregistration Schedule Card. This schedule containing the message indicating eligibility and the semester Registration Card will permit students to enter Reckord Armory according to the alphabetic schedule printed on this page. Excluded from this category are students who requested 8 or less credits and received the number of credit hours they requested.

SCHEDULE III — All other students
Tuesday, August 22 — 8:30 a.m. to 6:00 p.m.

This schedule will apply to all other students not included in the first two categories. Students who were registered for Spring, 1978, but did not preregister for Fall, 1978, will be included in this category. Students under this category should report, according to alphabetic schedule, to the Armory.

Students are expected to enter the Armory according to the schedule published in this Schedule of Classes. Any student attempting to enter the Armory at a time other than the one assigned will be considered to be violating General University Regulations, specifically, the "General Statement — Student Responsibility." The University Regulation states "Students are expected to conduct themselves at all times in a manner consistent with the University's responsibility of ensuring to all members of the University the opportunity to pursue their educational objectives and of protecting the safety, welfare, rights, and property of all members of the University itself." *Such cases will be referred to the University Judiciary Board for appropriate action.*

Preregistered students are notified on their preregistration Schedule Card which day they will be eligible to process drops and adds in the Armory.

DIRECTIONS FOR COMPLETING THE PREREGISTRATION SCHEDULE REQUEST FORM

COLLEGE PARK DAY CAMPUS REGISTRATION

WHO?

All students registered in courses offered by the University of Maryland College Park Campus (UMCP) for the Spring 1978 Semester who wish to preregister for courses offered at UMCP during the Fall 1978 Semester, and who are financially eligible to participate.

WHEN?

March 23 — Invitation to preregister postcards will be mailed to eligible students. Eligible students who do not receive a postcard should call the Registrations Office, 454-5559.

April 5 — Students should begin picking up registration materials at the location indicated on their postcard.

April 11 — Deadline for turning in Schedule Request Form and other registration materials to the location where materials were received.

WHERE?

Distribution:

Registration materials will be distributed by the academic departments: the invitation postcard indicates the department where a student's materials will be located. Distribution timetables may vary according to the department.

Collection:

Students should return registration materials to their department.

Academic questions concerning degree requirements, course descriptions, or course prerequisites should be directed to the academic departments, the college deans, or the division provosts. Questions concerning registration materials can be answered by the departments, the deans, the provosts, or the Registrations Office (454-5559).

The Schedule Request Form is a REQUEST. Because of adjustments made between the publication of the first edition of the Schedule of Classes and the actual sectioning process, some times/locations of course offerings may change. Please consult the second edition of the Schedule of Classes.

There are several reasons why legitimately requested courses are not received. The sectioning process will not schedule a time conflict. The maximum number of credits which can be received via preregistration is 19. Some courses are *by permission only*. If you are in doubt about a course's availability, please consult the department. Students may be denied enrollment by departments in *by permission only* courses. Since students are sectioned based on the total number of credits earned (highest first) some courses/sections may be closed when the process reaches a specific individual. Other courses may have been cancelled by the time sectioning occurs. In preregistration courses are filled to 90% of capacity.

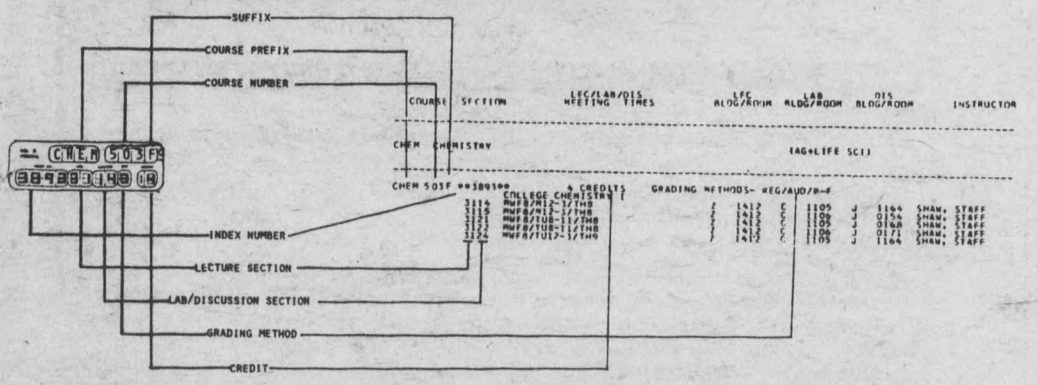
Students who do not receive a preregistration schedule in the mail should contact the Registrations Office (454-5559) prior to the Armory Registration period. This should be done before August 1, 1978.

HOW?

Using a *number two* pencil only, fill in the date, phone (day), birthdate, name, signature, social security number and scheduling method code.

Students are urged to check their Schedule Request Forms carefully. Since the forms are optically scanned it is important to insure the forms are not damaged and it is important to insure the clarity and accuracy of the information put on the form. *Correctly written Social Security Numbers and Course Index Numbers are vitally important.* Please use the numeric format along the left margin of the Schedule Request Form as a guide for completing requests.

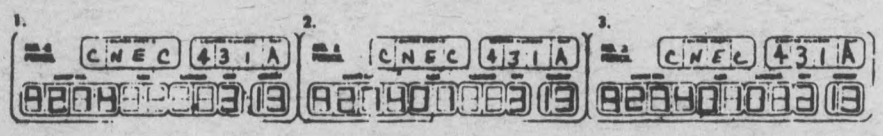
Fill in the course information as specified in each box. You must print the *course prefix*, the *course number*, the *suffix (if applicable)*, the *index number*, the *grading option (OPT) code* and the *credit* for every course requested. This information corresponds to what is printed in the "Course Listing Information" section of this Schedule of Classes:
(OPT) = 1-Regular; 2-Pass/Fail; 3-Audit; 4-Satisfactory/Fail



***NOTE: If you are taking a course for 10 credits or more, trace the line in the first section of the CREDIT box and fill in the appropriate digit in the second section of the box. If you are taking a course for 9 credits or less, fill in the appropriate digit in the second section of the CREDIT box, leaving the first section blank. Courses may not be taken for credits other than the number indicated in the "course offerings" section.

*The LEC (lecture section) and LAB/DIS (lab/discussion section) do not always have to be filled in. In this case, you have three (3) options:

1. If you fill in the index number only, leaving LEC and LAB/DIS blank, an attempt will be made to schedule you into that particular course, any available lecture section, any available lab/discussion section.
2. If you fill in the index number and LEC, leaving LAB/DIS blank, an attempt will be made to schedule you into that particular course and lecture section, any available lab/discussion section.
3. If you fill in the index number, LEC and LAB/DIS, an attempt will be made to schedule you into that particular course, lecture section and lab/discussion section.



You have a choice of two (2) Scheduling Methods — Alternate Course or Alternate Program.

Regardless of which method you choose, *the registration system will consider ALL courses listed in the primary (A) column first.* Alternates will be considered only when primary requests are unavailable. The system will not schedule a time conflict.

Neither method requires you to indicate either first or second alternates. However, it will be to your advantage to supply the system with possible alternatives should your complete primary schedule be unavailable as specified. This will reduce the chance of a partial schedule.

The sectioning process uses the method selected by the student to determine how to process a student's request. Regardless of what order a student places courses in the primary (A) column, the sectioning process will take place starting with the course with the fewest available sections.

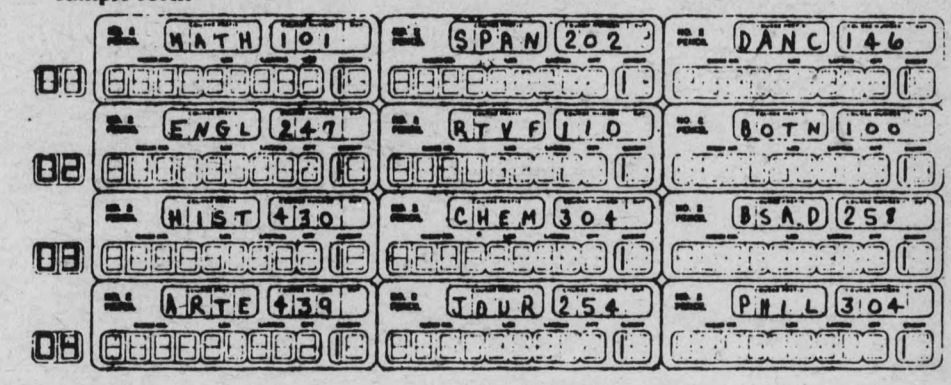
For the Alternate Course Method up to six attempts are made, assuming they are necessary and that the student has alternate choices. The last three of these will consider all possible sections if the specified section(s) are not available. If none of the six attempts yields a completely sectioned schedule, then the attempt which sectioned the largest number of credits is selected.

For Example:

1. Primary choice schedule, requested sections
2. Alternate choice schedule, requested sections
3. Alternate choice schedule, requested sections
4. Primary choice schedule, all possible sections
5. Alternate choice schedule, all possible sections
6. Alternate choice schedule, all possible sections

For the Alternate Program Method the sectioning process begins as in the Alternate Course Method, i.e., the course with the fewest number of sections first. However, the Alternate Program Method will keep the requests listed in Columns A, B, and C distinct. It will not give a schedule combining requests from the three columns.

sample form



Under the ALTERNATE COURSE method:

The system will schedule all requests in the primary (A) column which are available

A		
01	MATH	not available
02	ENGL	available - scheduled
03	HIST	not available
04	ARTE	available - scheduled

The system will consider requests in the B column only if the A request in that row was not available

B		
01	SPAN	available - scheduled
02	RTVF	not considered
03	CHEM	not available
04	JOUR	not considered

The system will consider requests in the C column only if neither the A request nor the B request in that row was available.

C		
01	DANC	not considered
02	BOTN	not considered
03	BSAD	available - scheduled
04	PHIL	not considered

For example, final schedule arrived at under this method

	A	B	C	
01		SPAN		SPAN
02	ENGL			ENGL
03			BSAD	BSAD
04	ARTE			ARTE

This method (ALTERNATE COURSE) may schedule a combination of courses requested in different columns.

Under the ALTERNATE PROGRAM method:

The system will consider all requests in the primary (A) column first. If all courses in A are available as requested, the system will schedule column A. Columns B and C will not be considered.

A		
01	MATH	available
02	ENGL	available
03	HIST	available
04	ARTE	available

} scheduled

If any of the courses in column A are not available as requested, the system will not schedule any of the courses requested in A.

A		
01	MATH	not available
02	ENGL	available
03	HIST	available
04	ARTE	available

} not scheduled

The system will then consider the courses requested in column B. If all courses in B are available as requested, the system will schedule column B. Column C will not be considered.

B		
01	SPAN	available
02	RTVF	available
03	CHEM	available
04	JOUR	available

} scheduled

If any of the courses in column B are not available as requested, the system will not schedule any of the courses requested in B.

B		
01	SPAN	available
02	RTVF	not available
03	CHEM	not available
04	JOUR	available

} not scheduled

The system will then consider the courses requested in column C. If all courses in C are available as requested, the system will schedule column C.

C		
01	DANC	available
02	BOTN	available
03	BSAD	available
04	PHIL	available

} scheduled

If any of the courses in column C are not available as requested, the system will not schedule any of the courses requested in column C.

C		
01	DANC	not available
02	BOTN	not available
03	BSAD	available
04	PHIL	not available

} not scheduled

The system will then go back over all 3 columns (A, B, and C) and schedule the one with the greatest number of courses available as requested.

A		B		C	
01	MATH not available	01	SPAN available	01	DANC not available
02	ENGL available	02	RTVF not available	02	BOTN not available
03	HIST available	03	CHEM not available	03	BSAD available
04	ARTE available	04	JOUR available	04	PHIL not available
3 courses available as requested		2 courses available as requested		1 course available as requested	

In this case, the system would schedule a part of column A (courses 02, 03 & 04) because that column contains the greatest number of courses available as requested.

This method (ALTERNATE PROGRAM) will not schedule a combination of courses from different columns. All courses scheduled under this method would have been requested in the same column, either A or B or C.

NOTE: Since courses/sections are added to the Schedule and times and days are often changed *after* students submit Schedule Request Forms, neither time nor day can be guaranteed. That is, because of time changes in course offerings, because additional sections of a course have been added, or because the primary or alternate sections have been filled, students may not receive schedules meeting exact times requested. See the Second Edition of the Schedule of Classes for revised course offerings.

VETERANS BENEFITS

Students attending the University under the Veteran's Education Assistance Act (Title 38, U.S. Code) who completed Preregistration will be certified on the basis of pre-registration course requests. This certification should be verified by the student at the Registrations Office, Room 1130A, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday.

ENROLLMENT CERTIFICATION AND VA PAYMENTS

1. *How to compute payments based on enrollment status*

Undergraduate student enrollment status is based on the number of credits for which the student is registered. Graduate student enrollment status is based on the number of units for which the student is registered. Courses taken as "AUDIT" cannot be counted toward credit for graduate or undergraduate students. Charges are the same for audit and for credit courses.

TABLE FOR COMPUTING GRADUATE UNITS

000-399	2 Units per credit
400-499	4 Units per credit
500-599	5 Units per credit
600-898	6 Units per credit
799	12 Units per credit
899	18 Units per credit

Graduate Students will not be certified for any course below the 400 level unless it is required by their department and a letter stating this is approved by Mr. Seidel in the Graduate School and submitted to the Veteran's Affairs Office when registering.

2. *Table for payment during the Fall and Spring Semesters effective October 1, 1977*

Credits for Undergraduates	Units Graduate Students	Status	Table for VA Fees for Undergraduate & Graduate Students Number of Dependents None	One	Two	Ea. Add'l. Dep.

9-11	36	¾ time	233	277	317	19
6-8	24	½ time	156	185	211	13
5 and under	12	¼ time		Tuition Only		
Active Duty/Less Than Half-Time		Tuition and Fees, not to exceed $311 for full time; $233 for three-quarter time; $156 for half-time or less-than-half but more than one-quarter time; $78 for quarter-time or less.				

Additional Provisions of the GI Bill Entitlement

a. Entitlement is 45 months provided your original entitlement was 36 months. The 45 months are not limited to pursuit of a standard undergraduate degree.

NOTE: There has not been any extension of the ten year delimiting date.

b. Increases tutorial assistance to approximately $70 per month and the maximum to $828 total.

3. *Graduate Assistants*

Graduate students who are graduate assistants will be certified full time if their assistantship is confirmed in writing by Graduate School and they are taking 24 units. This must be done each semester. Please note . . . the Veterans Administration's definition of "full time" for Graduate Assistants differs from the University of Maryland definition and should be used only for VA purposes.

4. *Veterans Responsibility*

It is the responsibility of veterans and dependents receiving V.A. benefits to notify the University V.A. Certification Office of every change of course or program at the time the change is submitted to the University. This includes the following:

a. Drops, Adds or Section Changes
b. Credit Level or Grade Option Change
c. Change of Major or Division/College
d. Change of Address
e. Graduation
f. Academic Dismissal/Reinstatement Actions
g. Intent to Transfer from UMCP

FAILURE TO NOTIFY THIS OFFICE CAN IMPACT ADVERSELY ON RECEIPT OF BENEFITS.

The counselors are available on a walk-in basis during normal office hours in Room 1130A, North Administration Building (454-5276). Ms. Nelsen is available on Tuesdays and Thursdays only.

UNIVERSITY COLLEGE STUDENTS

UMUC students *who have completed a minimum of 15 semester hours with UMUC* and *who have at least a "C" (2.0) cumulative grade point average with the University of Maryland,* are eligible to register at UMCP. They must obtain a letter of permission from the UMUC Office of Admission and Registration Services and present it at the Armory in order to complete registration.

Students Not Currently Registered — the permanent address on file will be used for all mailings.

FOREIGN STUDENT INFORMATION

Students on Nonimmigrant Student (F-1 and J-1) Visas:

In order to maintain full-time student status, undergraduate students are expected to register for and complete a minimum semester credit load of 12 hours; graduate students are expected to register for and complete a minimum of 48 graduate units per semester.

All foreign students:

Every time you change your address and/or telephone number, be sure that this new information is filed with the Office of International Education Services, North Administration Building, Room 2115. Telephone 454-3043.

IDENTIFICATION CARDS

New Photo Transaction Cards will not be issued to students who currently have them.

Students who preregister for the Fall 1978 session will receive a new Registration Card along with their Class Schedule. This card will validate their Photo Transaction Card. Both cards should be carried at all times.

Students who do not preregister will receive identification cards when they do register.

Together the Photo Transaction Card and Registration Card can be used by all students to withdraw books from the libraries, for admission to most athletic, social, and cultural events, and as a general form of identification on campus. Students who have food service contracts must use the Photo Transaction Card for admission to the dining halls.

There is a replacement charge of $1.00 for lost or stolen Registration Cards and $7.00 for lost, stolen, or broken Photo Transaction Cards.

Questions concerning the identification system should be addressed to the Office of Registrations (454-5365).

GOLDEN IDENTIFICATION CARD PROGRAM

The College Park campus participates in the University of Maryland's Golden Identification Card Program. The campus makes available various courses and services to persons who are 60 years of age or older by first class day, residents of the State of Maryland and retired (not engaged in gainful employment for more than 20 hours per week). When persons eligible for this Program apply for the Program or are newly admitted to the Program, they may register for credit courses as regular or special students in any session. Tuition and most other fees are waived. The Golden Identification Card entitles eligible persons to certain academic services, including the use of the libraries, as well as certain other non-academic services. Such services are available during any session only to persons who have registered for one or more courses for that session. A card is issued after registration. For further information, please contact the Registrations Office, North Administration Bldg. X5559.

CANDIDATES FOR DECEMBER 1978 GRADUATION

An application for graduation must be filed in the Registrations Office by September 13, 1978. Applications are available at the Registrations Office Counter, 1st Floor Lobby, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday, and in all Provosts' and Deans' Offices, 8:30 a.m. to 4:30 p.m., Monday through Friday.

COMMENCEMENT HONORS

Honors for excellence in scholarship are awarded to not more than ten percent (10%) of the graduating class in each degree granting unit. Summa Cum Laude is offered to the highest two percent (2%), Magna Cum Laude to the next three percent (3%), and Cum Laude to the next five percent (5%). To be eligible for this recognition, a total of at least two years of residence (60 semester hours) is required. No student with an average less than 3.00 will be considered. (The computation of the average does not include grades for courses taken during the last semester of registration before graduation, although the hours earned for that semester will apply toward the 60-hour requirement.)

DEADLINES FOR GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

Full-time undergraduate students do not receive a refund for courses dropped if the total number of credits for which they are registered remains 9 or more.

PRIOR TO THE 1st DAY OF CLASSES (AUGUST 21, 22), if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the per credit hour fee for part-time students.

However, if the student later adds a course or courses, thereby changing the total number of credits for which he is registered to *9 or more,* the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

ON THE 1st DAY OF CLASSES (AUGUST 23 OR AFTER), if a full-time undergraduate drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the full-time general fees. That is, there is no refund for changing from full-time to part-time status on the first day of classes or later. If the student has already made payment as a full-time student, no refund will be processed. If the student has not made payment he will be billed for the full-time undergraduate fees.

IN OTHER WORDS, if at any time on or after the first day of classes, a student is registered for *9 credits or more* he will be billed on the basis of the full-time undergraduate fees.

SEPTEMBER 7 AND AFTER — $2.00 fee is assessed for *each* drop processed (to be billed).

REFUND SCHEDULE FOR DROPPING COURSES
GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

Both graduate students and part-time undergraduates are charged by the credit hour. A percentage charge and/or complete charge for the course may be imposed if the deadlines indicated below are not followed:

1. August 21, 22 (prior to the first day of classes) ..... 100% refund
   There will be no charge for courses *dropped* on these two days.
2. August 23-29 (first five days of class) ..... 80% refund
   There will be a 20% charge imposed for courses *dropped* during this period.
3. August 30 and after ..... 0% refund
   Students will incur full charge for courses *dropped* during this period.
4. September 7 and after: a $2.00 charge is imposed for *each* drop processed (to be billed).

Students who wish to drop one course and add another at the same credit level should accomplish both transactions on the *same day* to insure additional charges are not imposed.

NOTE: A drop of one course and a credit level change of equal amount in another course, even if accomplished on the same day, *is not* considered an "even exchange" and appropriate charges for both courses will be imposed.

CONTINUOUS REGISTRATION

(Graduate Doctoral Students Only)

Following advancement to candidacy by the Graduate Council for the doctoral degree, every graduate student must register each fall and spring semester until the degree is awarded. Contact the Dean for Graduate Studies and Research for more complete information. (454-5428)

FEES AND EXPENSES

Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, it cannot assume responsibility for their receipt. If any student does not receive a bill on or before the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 8:30 a.m. and 4:15 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students will be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to preregister or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled the student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

In accordance with State law, the accounts of delinquent and severed students are referred to the State Central Collections Unit in Baltimore for collection and legal follow-up. Costs incurred in collecting delinquent accounts are charged to the student. Collection costs are normally 15% plus any attorney and/or court fees.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of his or her account.

AN IMPORTANT FEE NOTICE —
Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF MANDATORY FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

The Student Health Fee is paid by all full-time students (9 credits or more, Graduate or Undergraduate), every semester — $10.00; and all part-time students (8 credits or less, Graduate or Undergraduate), every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Registration Fee: $5.00. Charged to all registrants each semester.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $31.00 (two day program)
$18.00 (one day program)
$ 6.00 (early arrival)
$10.00 (per parent)

Late Application Fee: $25.00

Room Prepayment: Information concerning partial prepayment of room charges is provided at the time contract materials are sent by Resident Life.

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus.

Special Fee for students requiring additional preparation in Mathematics (MATH 001) per semester: $75.00 (Required of students whose curriculum calls for MATH 110 or 115 and who fail in qualifying examination for these courses.) This Special Math Fee is in addition to course charge. Students enrolled in this course and concurrently enrolled for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. Students taking only MATH 001 pay for 3 credits plus $75. A 3 credit course plus MATH 001 results in a charge for 6 credits plus $75. A full-time student pays full-time fees plus $75.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

Stopping payment on a check does not constitute an official withdrawal.

A request for a refund must be processed by the student with the Division of Business Services, *otherwise* any student account credit will automatically be carried over to the next semester.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable* *
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

* *Refund is based on a percentage of* **tuition only.**

No part of the charges for room and board is refundable except when the student officially withdraws or is severed or dismissed from the University or when the student effectively completes residence halls and/or dining services contract release procedures. When the student completes the residence hall contract release procedures, a room refund will be computed based upon the requested release date and the date the request for contract release is received by Resident Life. Refunds for housing services are made on a pro rata weekly basis.

Refunds to students having board contracts will be calculated, based upon the contract release date, by multiplying the number of weeks remaining by the pro rata weekly rate. A $20 service charge may be assessed when applicable.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given an 80% refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applies to full-time students who are called up as Reservists for military service.

Property Damage Charge: Students will be charged for damage to property or equipment. Where responsibility for the damage can be fixed, the individual student will be billed for it; where responsibility cannot be fixed, the cost of repairing the damage or replacing equipment will be prorated among the individuals involved.

Service Charges for Dishonored Checks: Payable for each check which is returned unpaid by the drawee bank on initial presentation because of insufficient funds, payment stopped, post-dating drawn against uncollected items, etc.

For checks up to $50.00: $5.00
For checks from $50.01 to $100.00: $10.00
For checks over $100.00: $20.00

When a check is returned unpaid, the student must redeem the check and pay any outstanding balance in the account within 10 days or all University services may be severed and the account transferred to the state Central Collection Unit for legal follow-up. Additionally, a minimum 15% collection charge is added to the charges posted to the student's account at the time the transfer is made.

Collection Costs: Collection costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past due accounts to the State Central Collections Unit. The normal collection fee is 15% plus any attorney and/or court costs.

Library Charges: $ .25 — Fine for failure to return a book from General Library before expiration of loan period; per day. Fine for failure to return book from Reserve Shelf before expiration of loan period: First hour overdue on first day: $1.00; after first hour on first day, $ .50 per hour for each hour open up to a maximum of $30.00 per item. In case of loss or mutilation of a book, satisfactory restitution must be made.

Engineering COOP Program (ENCO 408-409): $30.00 each

Transcript of Record Fee: $2.00 each copy

FMCD 344 Fee: $60.00 in addition to course charges. There is also a $5.00 per week room charge for students not living in campus housing.

REMISSION OF FEES FOR FACULTY AND STAFF

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Budget Office (Room 1133, Main Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Budget Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement and registration apply to University faculty and staff who wish to take courses.

Questions regarding admissions? Contact Admissions Office, 454-5550.

Questions regarding registrations? Contact Registrations Office, 454-5559.

Questions regarding employee remission of fees? Contact Budget Office, 454-3106.

BILL PAYMENT

Preregistered Students

Bills for payment of fees will be mailed July 31, 1978 to students who preregister for the Fall 1978 semester. PAYMENT SHOULD BE MADE PRIOR TO THE FIRST DAY OF CLASSES. LATE PENALTIES WILL BE CHARGED BEGINNING MONDAY, AUGUST 28, 1978. Early payment by mail is encouraged to avoid the long lines at Registration time.

Any payment which is insufficient to pay off the existing balance plus new fees leaves tuition unpaid and registration incomplete. Payments must be made by mail or at the Office of the Cashier, South Administration Building, Monday through Friday, 8:30 a.m. to 4:15 p.m.

Students with unpaid account balances are subject to severance of services and transfer of account to the State Central Collections Unit. When an account is transferred to the State Central Collections Unit, a minimum of 15% is added for collection costs.

A preregistered student whose tuition is being paid by an outside agency may bring or mail the agency authorization to:

Division of Business Services
Room 1103, South Administration Building
College Park, Maryland 20742

The purchase order must be received no later than August 11, 1978, and the name and social security number of the student must be shown on the purchase order.

The student is responsible for the cost of tuition if it is not paid by the contracting agency. The University cannot assume responsibility for the receipt of purchase orders sent through the mail.

Preregistered students must cancel their registration in writing if at any time prior to the first day of classes they decide not to attend. FAILURE TO CANCEL PREREGISTRATION WILL RESULT IN FINANCIAL OBLIGATION TO THE UNIVERSITY EVEN THOUGH THE STUDENT DOES NOT ATTEND CLASSES.

When payment is made to the University, PAYMENT OF ANY OUTSTANDING BALANCES PRECEDES PAYMENT OF CURRENT INDEBTEDNESS. That is, the oldest account balance is liquidated first.

A FINANCIAL NOTE

ALL STUDENTS WHO PREREGISTER FOR THE FALL SEMESTER INCUR A FINANCIAL OBLIGATION TO THE UNIVERSITY.

Students who preregister and later decide not to attend must notify the Withdrawal Office, Room 1130, North Administration Building, in writing, prior to August 23. If this office has not received a request for cancellation by 4:30 p.m. on August 22, the University will assume the student plans to attend and accepts the financial obligation.

Beginning August 23, students who wish to terminate their registration must follow the withdrawal procedures and are liable for charges applicable at the time of withdrawal. FOR FURTHER EXPLANATIONS OF THE CANCELLATION AND WITHDRAWAL PROCEDURES AND THEIR CONSEQUENCES, SEE PAGE 9.

OVERDUE STUDENT ACCOUNTS

The State has established, under legislative mandate, a CENTRAL COLLECTIONS UNIT within the Department of Budget and Fiscal Planning. This campus has been instructed that all delinquent accounts must be transferred to the State Collections Unit.

ALL ACCOUNTS DUE FROM STUDENTS, FACULTY, STAFF, NON-STUDENTS, ETC. ARE INCLUDED WITHIN THESE GUIDELINES.

Collection costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past-due accounts to the State Central Collections Unit. The minimum collection fee is 15% plus any attorney and/or court costs.

REFUND POLICY

Refunds MUST be requested in writing by the STUDENT. This can be done by: 1) addressing a letter to: Division of Business Services, University of Maryland, College Park, Md. 20742, or 2) completing a request for refund form available at the Student Counter, 1103 South Administration Building, and Withdrawal Office, Registrations Office and Student Aid Office, North Administration Building. NO CREDIT BALANCE IS AUTOMATICALLY REFUNDED. Approximately five to six weeks is required from the time a credit balance appears on the account and a refund request is received until a check is mailed from the State Treasurer's Office in Annapolis. THE CHECK WILL BE MADE PAYABLE TO THE STUDENT and mailed to the address requested by the student on the refund form. Refund checks cannot be mailed to a campus address.

REFUND POLICY FOR MATH 001

A part-time or full-time undergraduate who drops MATH 001 will receive a percentage refund of the $75.00 fee in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter.

2. A student withdrawing from the University will receive a percentage refund based on the sliding scale printed in this Schedule of Classes under "Cancellation and Withdrawal Dates for Refund of Tuition."

3. Math 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

REFUND POLICY FOR COOP 208, 209, and ENCO 408, 409

A part-time or full-time undergraduate student who drops COOP 208, 209, or ENCO 408, 409 will receive a percentage refund of the fee paid in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-Time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes and 0% thereafter.

BILLING DATES

Student bills will be mailed on the following dates:

July 31, 1978
October 9, 1978
November 6, 1978
December 18, 1978

PLEASE NOTE . . . although the University regularly mails bills to students it cannot assume responsibility for their receipt. If a mailed bill is not received, it is the responsibility of the student to obtain a teletype bill. (8:30-4:15 Room 1103, South Administration Building).

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

Students sponsored by an agency or their employer remain responsible for their fees. When payment is not received by the University from the sponsor, the student will be charged.

Preregistered students' bills will be mailed. Students not preregistered will complete an estimated bill form at registration time. The following information may be helpful:

1. University Scholarships and Grants will be credited to the bill as designated in award letter. If not credited, deduct the scholarship amount from your preregistered bill balance, and pay the difference.
2. The method for distributing BEOG, SEOG and NDSL awards for the Spring Semester will be published at a later date. When these procedures are completed, each award recipient will be notified of the new procedures.
3. Other Scholarships and Grants paid to the University by an outside agency will be credited to the student's bill. (Exception — National Merit Scholarship checks will be available in Office of Student Aid.)
4. Guaranteed Loan checks are distributed to students by the lending agency, except in those cases where the lending institution sends the check to the University directly. These checks are to be picked up in room 2130C. A copy of the student's bill, as well as a University of Maryland ID, must be shown before the check will be released.
5. Dining Hall cash jobs will be paid bi-weekly to student, as work is performed.
6. Dining Hall Workships (and other University Workships) will be credited to bill as designated in the award letter.
7. College Work-Study and other University student employment will be paid to the student bi-weekly as work is performed.

Awards issued in item #2 may be greater than the University bill. If so, a cash refund for the difference will be made by the Division of Business Services.

For information on refunds due to withdrawal from the University, see instructions in the Schedule of Classes.

DEFERRED PAYMENTS

The University of Maryland does not have a deferred payment plan. Payment of all past due balances and current semester fees is due on or before the first day of classes.

It is the policy of the University *not* to defer payment of fees on the basis of a pending application for financial assistance to an outside agency. This includes Veterans Administration, banks, guaranteed student loan programs, etc.

The Precision Decision. We made it. Now it's your turn.

We believe that precision is the most important factor in turntable design and performance. Which is why we've built such a high degree of precision into our advanced new line of turntables.

Take our new QL-7 Quartz-Locked and JL-F50 Fully Automatic direct-drive, shown. They're both unusually close when it comes to some important specs, but what will surprise you most is that they're also both in the same price range.

For instance, the JL-F50 checks in with 0.03% wow and flutter (WRMS); 70dB signal-to-noise ratio (DIN B). And it offers a host of convenience features as well, with most controls up front so you can operate them without lifting the dust cover. Its fully automatic operation gentles your favorite records, and lets you repeat them from one to six times, or infinitely. A built-in strobe makes speed adjustments easy and accurate.

The QL-7 is a tiger. All business, with the incredible accuracy only a Quartz-Locked machine can boast. The QL-7's wow and flutter measures only 0.025% (WRMS); S/N is more than 74dB (DIN B). It's totally manual, with strobe speed indicator.

The way we see it, you're left with a superb decision: our JL-F50 at less than $260*, with all the convenience and performance most people could ever want, or our QL-7, the finest under $300* turntable available today for the discriminating audiophile.

Either JVC you choose, you'll have made the right decision.

GUIDELINES TO ADMINISTRATION OF EXAMINATIONS AND TESTS ON RELIGIOUS HOLIDAYS

Examinations and tests: All examinations and tests shall be given during class hours in accordance with the regularly scheduled (or officially "arranged") time and place of each course listed in the Schedule of Classes and/or the Undergraduate Catalog. Unpublished changes in the scheduling or location of classes/tests must be approved by the department chairman and reported to the Provost. It is the responsibility of the student to be informed concerning the dates of announced quizzes, tests and examinations.

An instructor is not under obligation to give a student a make-up examination unless the absence was caused by illness, religious observance, or by participating in University activities at the request of University authorities.

A make-up examination, when permitted, must be given on Campus, unless the published schedule and course description require other arrangements. The make-up examination must be at a time and place mutually agreeable to the insiructor and student, cover only the material for which the student was originally responsible, and be given within a time limit that retains currency of the material. The make-up must not interfere with the student's regularly scheduled classes. In the event that a group of students require the same make-up examination, one make-up time may be scheduled at the convenience of the instructor and the largest possible number of students involved. Under the same guidelines students shall have equal access to all information and drills missed due to the reasons listed.

VEHICLE REGISTRATION

All students (except as noted below) who plan to attend the University during the Fall 1978 semester (whether they preregister or not) are eligible to register their motor vehicle during the appropriate vehicle registration periods outlined below.

WHO?

All students who operate a motor vehicle on the campus at any time must register that motor vehicle with the Motor Vehicle Administration Office on campus. PLEASE NOTE . . . freshman and sophomore students who reside on campus may not operate or register a vehicle on campus without special permission.

WHEN?

ALL STUDENTS EXCEPT RESIDENT FRESHMEN AND SOPHOMORES:

During the period of July 1, 1978 through August 18, 1978, 9:00 a.m. to 3:30 p.m. Monday through Friday, Motor Vehicle Administration Office, Service Building, south wing.

— or —

Armory, August 21 and 22, 1978, 8:30 a.m. to 6:00 p.m., according to the alphabetic registration schedule.

— or —

Wednesday, August 23, 1978 and later, Motor Vehicle Administration Office, Service Building, south wing, 9:00 a.m. to 3:30 p.m., Monday through Friday.

HOW?

1. Bring current state registration card for each vehicle to be registered.
2. Pick up and complete University of Maryland application for Motor Vehicle Parking Permit form and receive bumper decals. Registration fee is $12.00 for first vehicle and $3.00 for each additional vehicle. Vehicle registration charges may be included on student bill during Armory registration ONLY. When vehicles are registered at any other time or place, cash payment is required at time vehicle is registered.

Questions regarding Motor Vehicle Registration should be referred to the Motor Vehicle Administration Office, 454-4242 or 4243. Special parking permits are available for handicapped students. Resident Freshmen and Sophomores who have off-campus jobs may be given special permission to register vehicles. Details are available at the Motor Vehicle Administration Office.

BICYCLES AND MOPEDS

Bicycles and mopeds should be parked in bicycle racks provided on campus. Maryland State laws prohibit the securing/parking a bicycle or moped in any manner which would obstruct or impede vehicular or pedestrian movement. Violators will be subject to having their bicycle/moped impounded.

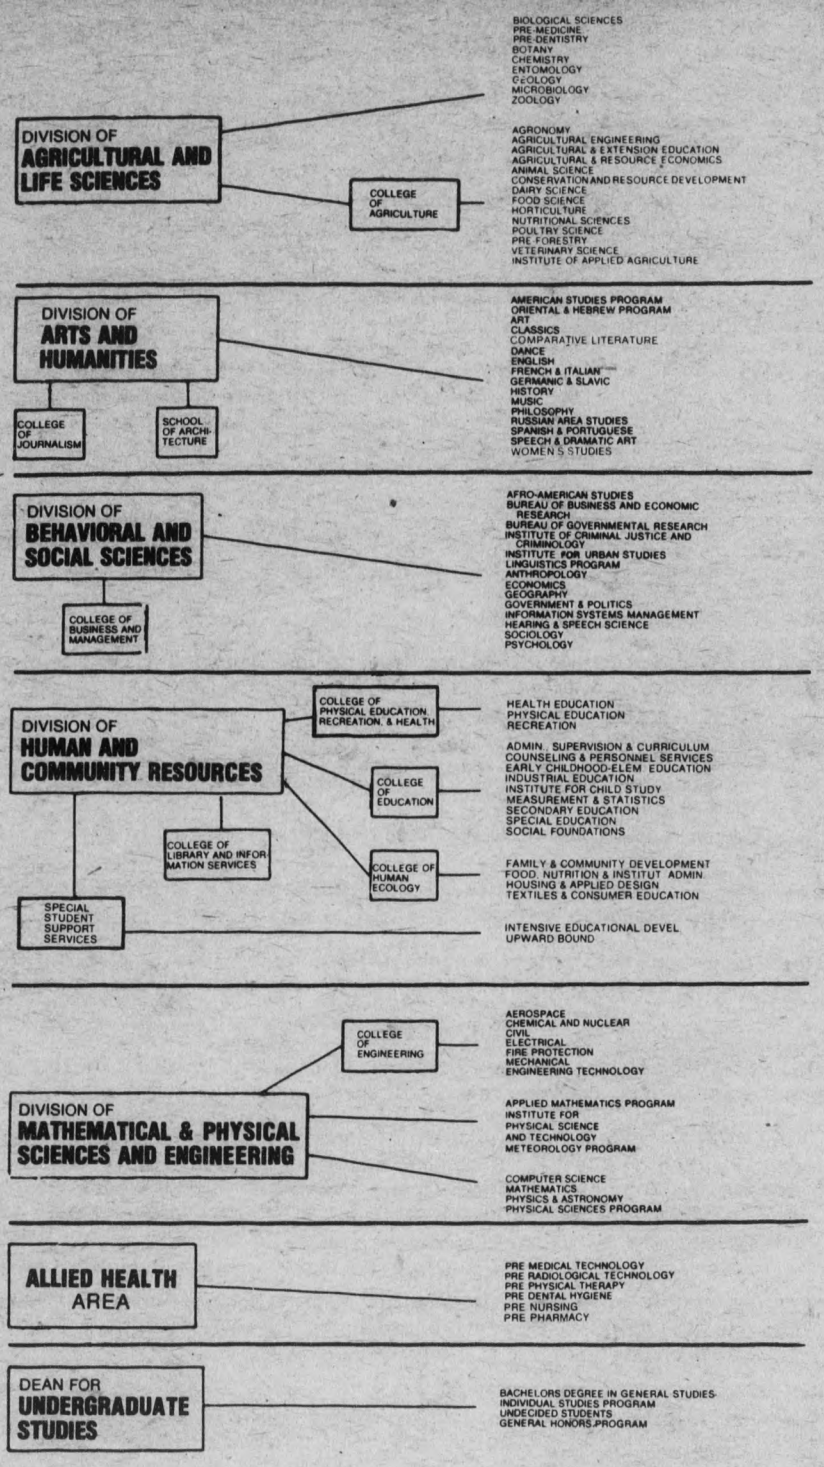
DIVISION INFORMATION

UNIVERSITY OF MARYLAND, COLLEGE PARK CAMPUS

ORGANIZATIONAL CHART AUGUST 1974



GENERAL UNIVERSITY REQUIREMENTS (G.U.R.)

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences: Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences: Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. Demonstration of competency in English composition. Unless the student has been exempted from English composition, at least one course in this subject will be required. Exemption is granted if the student earns an acceptable SAT Verbal or English Advanced Placement Test score (score announced annually), or by satisfactory completion of a similar course at another institution. Students taking a course to satisfy this requirement may apply the credits toward the 30-hour General University Requirement but may not count these credits toward the satisfaction of the minimum 6-hour requirement in any of the three designated areas. Credit for such a course may be in addition to the 12-hour maximum in any area.

To further define "area" this chart has been prepared by the Advisor's Workshop. On the chart is listed the prefix of all courses offered on the College Park campus. The prefixes are listed according to which area (A, B, or C) of the General University Requirements they will meet.

FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.

However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had at least two years or more of high school French are normally expected to enroll in French 104 (Intermediate French), but may (as the result of placement) take French 103 (Elementary French Review). Students with less than two years of high school French or with a five-year gap in their French studies may take French 101. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. A student who has taken French 101 or French 103 on the College Park campus or their equivalent on any other campus *may not* take French 121 (Accelerated French I) for credit. "Audit," however, is permitted. Any student who has taken French 104 on the College Park campus, or its equivalent on any other campus, *may not* take French 122 (Accelerated French II) for credit. Again, the option of "Audit" remains open. A departmental placement exam will be given to *all* students registering *for the first time* on this campus for French language courses in the basic and intermediate sequence (100 level and 201 and 211). The examination will be administered in the language laboratory of the Language Media Center during the week prior to preregistration, during preregistration week and during registration week from 8 a.m. to 3 p.m. The exam may be taken during those times at the student's convenience. Students must take this examination before registering so that they may be placed at the proper course level. Results will be posted in the Department of French and Italian. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.

Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

GERMAN AND SPANISH PLACEMENT EXAM SCHEDULE

During the Fall semester there will be placement testing in Room 0106, Shoemaker Building. To be admitted for testing, students must have a picture I.D.

Testing during Fall Registration is scheduled for Tuesday, August 22 and Thursday, August 24, 1978 at 3:30 p.m. in Room 0106, Shoemaker Building. Bring a picture I.D. in order to be admitted.

A GUIDE TO THE RETENTION PLAN

The material printed below is meant to illustrate graphically certain provisions of the academic RETENTION PLAN. It can serve, for both new and experienced students, as a guide for schedule planning and schedule change. It is *not* meant as a substitute for a thorough reading of "Requirements for Retention and Graduation," as found elsewhere in this Schedule or in the Undergraduate Catalog. This material was prepared by Dr. Joseph F. Metz, Jr., Assistant Dean for Undergraduate Studies, and the staff of the Undergraduate Advisement Center.

TABLE I

The College Park Retention Plan is based on (1) QUALITY POINTS *and* (2) CUMULATIVE AVERAGE. Here's how to compute both.

(1) QUALITY POINTS (Q.P.'s): For each semester, Q.P.'s are awarded for grades of A, B, C, D, P, and S. To figure how many Q.P.'s you have earned, or expect to earn, for each of your courses, do the following:

Q.P.'s given for expected or Actual Grade			Number of Credits in The Course		Total Quality Points for the Course
	A= 4 B= 3 C= 2 P= 2* S= 2* D= 1 F= 0	×		=	

EXAMPLE: Semester Schedule of 15 Credits —

Course	*Grades*	*Credits Earned*	*Q.P.'s*
ENGL 101	C	3	6
MATH 110	B	3	9
ZOOL 101	A	4	16
EDIN 101	P*	2*	4*
PSYC 100	D	3	3
		15	38

*These count only in figuring your Q.P.'s for the semester. They are not counted in your cumulative average.

(2) CUMULATIVE AVERAGE: Your cumulative average is based on TOTAL CREDITS ATTEMPTED — Any course you've ever taken at any of the University campuses for which you've been assigned a Grade of A, B, C, D, or F — and the TOTAL NUMBER OF QUALITY POINTS you've earned for these courses. (See Note below for Repeated Courses). Courses for which a Grade of "P" or "S" has been assigned are NOT included. To figure your cumulative average do the following:

NUMBER OF Q.P.'s EARNED		NUMBER OF CREDITS ATTEMPTED		CUMULATIVE AVERAGE
	÷		=	

EXAMPLE: Semester Schedule of 15 Credits (See Example Above)

Course	*Grades*	*Credits Attempted*	*Q.P.'s*	*Cumulative Average*
ENGL 101	C	3	6	
MATH 110	B	3	9	
ZOOL 101	A	4	16	Q.P.'s Earned — 118
EDIN 101	P	(2)	(4)	÷
PSYC 100	D	3	3	Credits Attempted — 40
Current Semester Totals		13	34	=
Previous Semester Totals		27	84	2.95
Total Credits		40	118	

NOTE: If you repeat a course that you took in the Fall Semester, 1973, or any semester since then, count only credits and quality points for the higher grade received for that course when figuring total credits attempted and total quality points.

TABLE II

MINIMUM QUALITY POINT REQUIREMENT:
If, at the end of Schedule Adjustment Period (First 10 days of classes) You are officially registered for:

12 or more credits	11-9 credits	8-1 credits
You must earn for this semester a minimum of:		
24 Quality Points (On grades of A, B, C, D, P, and S. Marks of F, W, and I do not confer Quality Points) Note: See Table III, below for exceptions	22 Q.P.'s for 11 credits 20 Q.P.'s for 10 credits 18 Q.P.'s for 9 credits	For part-time students there is no minimum quality point requirement. Note: If you have completed 45 credits, you must fulfill the cumulative average requirement, below.

CUMULATIVE AVERAGE REQUIREMENT:

If at the end of last semester, your total number of credits completed was 45* or more, then at the end of this semester you must have:

The Minimum Quality Point Requirement (Full-time Students — 9 or more credits)		A Cumulative Grade Point Average of 1.95 (Full-time *and* Part-time Students)
	and	

+On your grade report for last semester, add "hrs. attempt." *and* "transfer credit level" and pass-fail courses to see if you have 45 or more.

Credits completed with grades of A, B, C, D, and F, but not S, W, P, or I will be used in the computation of the cumulative average.

If these requirements are not met, Academic Probation will result. Two consecutive or four non-consecutive semesters of Academic Probation will result in Academic Dismissal.

TABLE III

Are you registering at the College Park Campus for the *First Time*? If so, then here's what you need to earn in your first semester for the Retention Plan:

A. FULL-TIME FRESHMAN[2] with no more than 8 credits earned through prior college/university attendance —	B. FULL-TIME TRANSFER[3] STUDENT with 44 or fewer credits accepted for transfer —	C. FULL-TIME TRANSFER[3] STUDENT with 45 or more credits accepted for transfer —
18 Q.P.'s	18 Q.P.'s	1.95 Cumulative Average

NOTE: To meet this requirement, students registering for 12 or more credits would have to earn at least 24 Q.P.'s. Students registering for 9 credits would have to earn 18 Q.P.'s; 10 credits — 20 Q.P.'s; 11 credits — 22 Q.P.'s.

[2](i.e., students registered for 9 or more semester hours)

[3]"Full-time Transfer Student" includes students transferring from other University of Maryland campuses. Grade Point Averages, Semester Hours Attempted, Semester Hours Earned, and Quality Points from the other campus(es) are included in all College Park calculations.

GENERAL ACADEMIC INFORMATION

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

REQUIREMENTS FOR RETENTION AND GRADUATION

1. A minimum of 120 credits of successfully completed (not I, F, or W) course credits are required for graduation in any degree curriculum. Credits transferred, or earned during prior admissions terminating in academic dismissal or withdrawal and followed by readmission, will be applicable toward meeting credit requirements for a degree.
2. A full-time student will be placed on academic probation at the end of any semester in which he does not achieve a total of 24 quality points for that semester. An exception to this rule will be made for full-time students registered for less than 12 credits at the end of the Schedule Adjustment Period (the close of the 10th day of classes) who will be required to earn: 18 quality points if registered for 9 credits, 20 quality points if registered for 10 credits; and 22 quality points if registered for 11 credits. Exceptions are also allowed for all full-time students in their first semester of registration on the College Park Campus, who must earn at least 18 quality points for that semester. This exception does not apply to students who have earned more than 8 credits through previous registration in the University.
3. Any student, full- or part-time, who fails to maintain a minimum *cumulative* average of 1.95 at the end of any semester following that in which the total of credits completed at the College Park Campus (with grades of A, B, C, D, P, S, or F), plus any credits transferred, is 45 credits, will be placed on academic probation. Credits completed with grades of A, B, C, D, and F, but not S, P, or I will be used in the computation of the cumulative average.
4. A student who does not meet the academic standards for any given semester will be placed on probation and must display acceptable performance in quality points and cumulative average (if applicable) during the next semester in order to regain good academic standing. A student who has not previously been dismissed will be dismissed at the end of the second consecutive, or fourth non-consecutive semester of unacceptable performance. Courses for which the mark "W" is recorded are excluded from computations of quality point and cumulative average totals at the end of the semester. However, such courses remain in computation of the minimum quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
5. A student who has been academically dismissed and who is reinstated, will be academically dismissed again if he does not meet the academic standards for any two additional semesters after his return. In the computation of his cumulative average after return, all credits attempted at the University of Maryland will be used.
6. When a student is placed on academic probation or is academically dismissed, the action shall be entered on the student's official and permanent record.
7. Any course may be repeated, but if a student repeats a course in which he has already earned a mark of A, B, C, D, P or S, the subsequent attempt shall not increase the total hours earned toward the degree. Only the higher mark will be used in computation of the student's cumulative average. However, the student's quality points in a given semester shall be determined by that semester's grades.
8. Any appeal from the regulations governing academic probation or academic dismissal shall be directed to the Petition Board, which shall be empowered to grant relief in unusual cases, if the circumstances warrant such action.

MARKING SYSTEM

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W (Instructors are not permitted to change a grade of "W".) These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Officer, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computations of cumulative or semester averages a mark of B will be assigned a value of 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computation of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option). The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computation of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor. It is the student's responsibility to request arrangements for completion of the work. An "Incomplete Contract" should be drawn up between student and instructor outlining these arrangements. A copy of this is to be filed in the Department Office. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the student to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination". In any event this mark shall not be used in any computations.
10. The *mark W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

CREDIT BY EXAMINATION FOR UNDERGRADUATE STUDENTS

The following statement was approved by the Board of Regents January 1974.

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or prepared by the department granting the credit. When standardized CLEP (College Level Examination Program) examinations are available and University of Maryland approved, they may be used.
2. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3151, Undergraduate Library), paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
3. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
4. Application for credit by examination is equivalent to registration for a course; however, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
5. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. The quality points earned on credit by exam are not counted in the current semester's quality point total. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
6. Undergraduate students may earn by examination no more than half the credits required for the degree.
7. Fees for Credit by Examination.
   A. Fees for CLEP (College Level Examination Program) and other standardized examinations.
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit.
      (1) Full-time students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.
      (2) Part-time students are charged on the same cost-per-credit-hour basis as though they were taking the course in the regular manner.

PASS-FAIL OPTION DEFINED UNDERGRADUATE

1. An undergraduate who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the College Park campus credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record. In computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

NOTE: Changes of grading option (e.g., Regular to PASS-FAIL) may be processed only during the first ten days of classes.

GRADUATE — Not eligible for the PASS-FAIL grading option.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the Undergraduate Advisement Center, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

TABLE FOR COMPUTING GRADUATE UNITS

COURSE NUMBER	GRADUATE UNIT
000-399	2 units per credit hr.
400-499	4 units per credit hr.
500-599	5 units per credit hr.
600-898	6 units per credit hr.
799	12 units per credit hr.
899	18 units per credit hr.

COURSE NUMBERING SYSTEM DEFINED

UNDERGRADUATE – eligible to register for courses numbered 000-499. Freshmen and sophomores may not take 300-499 numbered courses. Any exceptions require special permission from the Dean or Provost.

GRADUATE — eligible to register for courses numbered 400-899.

COURSE NUMBERING SYSTEM

400-499	Junior, senior course acceptable for credit toward some graduate degrees.
500-599	Professional School course (Dentistry, Architecture, Law, Medicine) or post-baccalaureate course.
600-899	Course restricted to graduate students
799	Masters Thesis credit
899	Doctoral dissertation credit
	Courses with last digit of 8 or 9 can be repeated for additional credit

UNDERGRADUATE STUDENT CLASSIFICATIONS DEFINED

Sophomore	28-55 semester hours
Junior	56-85 semester hours
Senior	86 to at least 120 semester hours

ZERO-LEVEL COURSES

BTPT 001	FOLA 001	FOLA 002
GERM 001	MATH 001*	RUSS 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

*Math 001 fees are also discussed under "Billing Information — Other Fees" and "Refund Policy for Math 001."

EDAD 798M — GENERAL SYSTEMS THEORY (3). This course is an introduction to general systems theory (GST) and cybernetics, with an orientation to the problems of organizations. The subject matter for the course is the unity of underlying principles and mechanisms of regulation, control, and adaptation in physical, biological, social, and symbolic systems. The course develops the concepts of equifinality, evolution, feedback, hierarchy theory, homeostasis, requisite variety and self-organization to provide an integrated conceptual framework for dealing with the dynamic behavior of complex systems. The conceptual framework is applied to problems of organizational analysis, design, and control. Major emphasis will be given to the organization attempting to accomplish a mission in an uncertain and unstable environment, including GST approaches to issues such as goal definition, accountability, and information systems for management decision-making. Professor Clemson.

EDAD 798R — SYMPOSIUM IN CYBERNETICS, INFORMATION SCIENCE AND SYSTEMS SCIENCE (3). A special, interdisciplinary seminar designed to permit problem solving in the context of the new system sciences. The seminar provides a system science approach to problems proposed by the participants. Samples of previous problems include: defining essential variables for organizations, a model of why organizations fail, a model of an open university, and the nature of explanation and theory. Each student will learn a general systems problem solving approach and will apply it to his/her own problem. Each student taking the course for credit will be responsible for one class presentation and a term paper. The term paper will, at a minimum, evaluate one or more solution methods for the problem and will preferably specify a design for the solution. DEPARTMENT OF ENGLISH

ENGL 278H — SPECIAL TOPICS IN LITERATURE: SATIRE. What is satire? How does the satirist work, and what does he hope to accomplish? What diverse forms does satire take, and how does satire relate to other forms of imaginative literature? These are some of the questions that this course will address. Readings will be drawn from all the major genres, drama, poetry, and fiction, including works by Aristophanes, Horace and Juvenal, Chaucer, Jonson, Pope and Voltaire as well as more contemporary writers such as Karel Capek, Evelyn Waugh, Nathaniel West, and Terry Southern. Instructor: Rutherford.

ENGL 278R — SPECIAL TOPICS IN LITERATURE: STANDARD ENGLISH GRAMMAR, DICTION, AND USAGE. A review of Standard English grammar, diction, and usage. The course will provide an overview of the basic parts of speech and sentence patterns of the English language; the principal focus, however, will be on the elimination of common errors in Standard English usage in addition to techniques in the development of more mature sentence structure. Some individualized attention will be given to particular problems in usage. Instructor: James.

ENGL 278X — SPECIAL TOPICS IN LITERATURE: SCIENCE FICTION AND THE UNIVERSE. Team-taught by teachers representing astronomy and literature, this course explores the connection between twentieth-century discoveries of the nature of the universe and science-fictional journeys of creative imagination into future worlds and cosmic space. Readings in both fiction and non-fiction. (Astronomy 100 recommended but not essential.) Instructor: Kinnaird.

ENGL 379A (Sec. 0201) — SPECIAL TOPICS IN LITERATURE: DETECTIVE FICTION. This section will examine the history of detective fiction from its origins in Poe to modern times. Attention will also be given to the literary value of the stories and the genre. Special attention will be devoted to that most famous of all detectives, Sherlock Holmes. Other authors to be studied include: Charles Dickens, Wilke Collins, Agatha Christie, Dorothy Sayers, Dashiel Hammett, Rex Stout, etc. Classes will stress discussion as well as lectures, and there will also be films, records, and guest lecturers. Instructor: Cate.

ENGL 379D — SPECIAL TOPICS IN LITERATURE: FORMULA FICTION. Several categories of popular fiction (western, detective, spy, romances) will be examined to determine and disengage the basic formula according to which such books are written. An attempt will then be made to see if and how these or similar formulas play any significant part in the composition of serious fiction. Instructor: Mish.

ENGL 379Q — SPECIAL TOPICS IN LITERATURE: FACT AND FICTION: THE CIVIL WAR AND AMERICAN LITERATURE. This course is intended to appeal to a broad range of students — those interested in history, creative writing, and popular culture as well as those who are simply Civil War "buffs." The course, ideally, will be structured in a way that will give each student an opportunity to pursue and share his or her own interests. Class discussions will be supplemented, if appropriate, by films (e.g., "The Birth of a Nation," a film based on Thomas Dixon's novel *The Clansman).* A syllabus will not be formulated until after the first class meeting. Four novels will form the central core of the reading in the course. Harriet Beecher Stowe, *Uncle Tom's Cabin;* Stephen Crane, *The Red Badge of Courage;* Michael Shaara, *The Killer Angels* (Pulitzer Prize, 1975: The Battle of Gettysburg); and Frank G. Slaughter, *The Stonewall Bridge* (1975: The Battles of Manassas, Antietam, Gettysburg). Instructor: Wilson.

ENGL 379S — SPECIAL TOPICS IN LITERATURE: SPORT. The literature of sport examines the way recent American fiction mirrors the preoccupation of contemporary American society with sports. Readings from Coover, Malamud, Updike, Roth, DeLillo, et al. Instructor: Issacs.

ENGL 479A — SPECIAL TOPICS IN LITERATURE: USES OF LITERATURE. The uses of literature starts from the premise that literature is important because it records man's perceptions about what he feels to be significant. This semester's topic is madness. Dostoevsky's *The Possessed* and Lessing's *Blueprint for a Descent into Hell* will be two of the works studied. The bulk of the reading list will be developed by the class as its first major assignment. Instructor: Issacs.

— Cooperative Education (Co-Op)

VOLUNTEER SERVICE/LEARNING

We maintain a computer file of field opportunities in over 650 agencies which have expressed interest in working with University students. Using this "library" of contacts, students arrange agency placements relating to their interests — academic or otherwise. Volunteer experiences are introductory in that students can begin their first career-related position free from the complications of arranging credit or pay. They are advanced in that the placement is undertaken for no "rewards" except those of the experience gained.

PEOPLE ACTIVE IN COMMUNITY EFFORTS (PACE)

People Active in Community Efforts is a student-operated program which helps students obtain volunteer experience in community organizations. Contact PACE, Room 1101 Student Union, 454-4275.

INTERNSHIPS

An internship is a work experience granted academic credit by a University of Maryland faculty member in recognition of its learning value. As in the volunteer program, students search through our agency computer files for contact information about placement opportunities relating to their interests. Using this data:

(1) They contact agencies and arrange for part-time work placement.
(2) They then negotiate with a University faculty member to obtain academic credit recognition of the educational value of the proposed experience. Usually the professor will want the student to produce some project connecting the student's work with the professor's academic discipline (e.g., a paper, a journal).
(3) After all details have been worked out, professor and student draw up an informal contract to ensure that both parties know where they stand.

COOPERATIVE EDUCATION

Cooperative Education is our most intensive form of learning by experience. Students alternate two semesters of full-time, fully paid work in business, industrial or government agencies with a semester of full-time study. What have they acquired at the end of this work-study-work sequence?

— They have gained experience in their chosen field which will do a great deal to introduce them into the job market.
— They have defrayed a good portion of their educational expenses with money earned.

ADDITIONAL OPTIONS

PREREGISTRATION EXPO

During preregistration week, the Undergraduate Advisement Center joins ELP in exposing a host of academic advisors and local agencies that participate in our internship and volunteer programs. You will have an opportunity to receive academic advisement in addition to exploring possible internship and volunteer experiences. Keep your eyes open for publicity announcements.

FIELD EXPERIENCE COURSES

Sometimes a professor will see a widespread need for field experience education in his academic discipline; or he may have professional connections with an agency willing to work with a number of students at a time. In such cases, his academic department faculty offers a field experience *course.* Just as with individual internships there are two parts to such courses:

(1) Work experience (generally volunteer) in business, industry, government, or social service agencies;
(2) Faculty supervision/consultation.

Check with ELP for an updated list of field experience courses being offered through many departments on campus.

GVPT Preregistration Desk, 3rd Floor Tydings
GVPT Office, Room 3104, Tydings
GVPT Undergraduate Advisors' Office, Room 3115N or 3115P, Tydings

GVPT 399A — SEMINAR IN GOVERNMENT AND POLITICS: Formal Analysis. The drama of Public Policy is the art of solving puzzles, problems, and crises. But what strategy does one employ to effectively avoid conflict, distribute goods and services, plan for the future, or enact legislation affecting morals or ethics? This is a course which introduces the student to the problems and strategies for solutions. A 6-credit course: 3 in lab and 3 in seminar. Students must sign up for both GVPT 399A and BSOS 308A. However, students may be given credit for six hours of GVPT coursework if desired.

GVPT 399C — SEMINAR IN GOVERNMENT AND POLITICS: Political Psychology. An analysis of the effects of psychological factors on political values and behavior and of political factors on psychological attributes such as alienation. Special attention will be given to theories of aggression and cooperation as well as to rebellion, protest, and political withdrawal.

GVPT 399D — SEMINAR IN GOVERNMENT AND POLITICS: The Politics of Public Policy Implementation. Course focuses on the factors which constrain and facilitate the implementation of public policy. Frameworks will be developed for evaluating the behavior of organizations interacting in the political arena. These frameworks will be used to examine the process of public policy implementation in case studies from education, health, housing, and urban government settings.

GVPT 399G — SEMINAR IN GOVERNMENT AND POLITICS: Capitalism and Bureaucracy. Changes in the capitalist political economy will be the principal subject. Attention will be particularly given to the impact of the growth of large-scale bureaucratic organizations.

GVPT 399J — SEMINAR IN GOVERNMENT AND POLITICS: Decision Making in International Relations. Concerned with complexities of decision-making analysis for foreign relations. Includes review of selected literature on decision-making, basic methods of decision-making analysis, simulation of National Security Council functioning on policy-making, and individual oral and written reports on selected issues in foreign policy decision-making.

GVPT 399K — SEMINAR IN GOVERNMENT AND POLITICS: Politics of Space, Energy, and Global Survival. How can we formulate policy and decision-making procedures, all across the board, to maximize the probability of survival through an era of energy shortages, population problems, etc.? Emphasis will be on possible solutions (solar power, space colonization, etc.). Course syllabus available for perusal from instructor, Rm. A3102 (Taliaferro).

GVPT 399M — SEMINAR IN GOVERNMENT AND POLITICS: The Nature of the Public Policy Agenda: Making Foreign Policy in America. Examines how issues related to foreign policy get on the "agenda" of different agencies, what happens to them, and how policies are eventually produced (or not produced). The course covers theoretical literature on the agenda process, as well as the particular substantive issues in current foreign policy.

GVPT 429A — PROBLEMS IN POLITICAL BEHAVIOR: Elections and Electoral Behavior. Course considers alternative explanations of patterns of political participation and voter choice in U.S. elections and in national elections in other democracies. Also considered are actual and potential impacts of election outcomes on governmental policy making processes and policy outputs.

GVPT 808B — SELECTED TOPICS IN FUNCTIONAL PROBLEMS IN INTERNATIONAL RELATIONS: The Political Economy of Resource Management. Deals with political, economic, legal, and institutional issues relating to the management of natural resources and the maintenance of environmental quality. Theoretical issues include: common property resources, collective action problems, externalities or social costs, and regime construction. Applications encompass various substantive areas including marine fisheries, deep sea mining, outer continental shelf development, and wilderness management.

GVPT 818A — PROBLEMS OF PUBLIC ADMINISTRATION: Politics and Policy Through Administration: A Comparative Perspective. Many aspects of public administration are highly political. This course provides a systematic analysis to the politics of administration. It focuses on modern, advanced industrial societies to provide a comparative perspective for the American setting.

GVPT 848A — CURRENT PROBLEMS IN POLITICAL THEORY: Democracy — Its Substantive and Procedural Limits. The participatory and procedural characteristics of democracy will be examined to see how they relate to such substantive goals as responsive government, the rejection of policies which are undesirable for the citizens, liberty, and distributional equity and justice. It will be demonstrated that democratic procedures will be unable to deliver distributional justice and will rarely be able to deliver responsiveness, or combine liberty with an ability to reject undesirable alternatives.

GVPT 887 — SEMINAR IN THE POLITICS OF DEVELOPING NATIONS: Comparative Rural Development and Basic Human Needs Strategies. Recently, a major focus of the practical and theoretical literature on development has been on rural development and strategies for meeting basic human needs. The course will examine the literature (and relevant experiences of developing countries) in detail, and will locate this emphasis in the wider development literature.

MATH 410G — ADVANCED CALCULUS. This section is restricted to graduate students. We shall use Rudin's *Principles,* 3rd Edition, as a text. In the early chapters on basic notions we shall concentrate on R^n, instead of R or metric spaces, because of the importance of R^n in applications. We shall also omit treatment of the finer properties of real numbers, sets, and continuous functions. This will allow us more time to treat uniform convergence and of special interest in applications.

MATH 472 — DIFFERENTIAL EQUATIONS AND NUMERICAL METHODS. This is an introductory course in differential equations which this semester will emphasize three applications oriented topics. First the solution of linear systems with constant coefficients will be covered. This segment will require some previous knowledge of matrix algebra. The third topic will be an introduction to the numerical solution of non-linear differential equations. This segment will require enough programming experience to write simple loops in some programming language. If time permits an introduction to boundary value problems will be given. The existence and uniqueness of solutions of differential equations will not be covered in detail and MATH 410 will not be a prerequisite.

STAT 250 — INTRODUCTION TO STATISTICAL MODELS. Prerequiste: MATH 220 or equivalent.

STAT 450 — REGRESSION AND VARIANCE ANALYSIS. Prerequisite: One year of introductory statistics. An application oriented course in statistical methods widely used in economics, life sciences, engineering, agriculture, etc.

SELF-INSTRUCTIONAL LANGUAGE PROGRAM

The FOLA 158 series is an innovation in our course offerings supported in part by a pilot grant from the National Endowment for the Humanities. The Program is essentially "self-instructional." The student supplies a blank cassette tape and, in return, receives a recorded tape with the week's lessons. There is also a manual designed for self-instruction which the student is required to purchase. A native-speaking monitor will be assigned to drill the student in the material learned from the tape and the accompanying manual. Every effort will be made to arrange drill sessions at times most suitable to all participants in the program.

There will be one final examination administered by a qualified examiner appointed by the Director. The entire semester's grade will derive from this examination.

Enrollment in the Program is strictly limited and is by permission of the Director following a personal interview and aptitude test. For further details and to schedule appointments for interview, please contact Professor MacBain (LL 3122, x4303). Students interested in self-instructional courses in languages other than Hungarian, Romanian, Modern Greek, Hausa, and Polish should make their requests known as soon as possible since it may be possible to accommodate them now or in the near future.

WOMEN'S STUDIES PROGRAM

The Women's Studies Program offers an interdisciplinary minor certificate upon completion of twenty-one credit hours in Women's Studies courses. Any student in good standing in any division of the University may enroll in the program by declaring her/his intention to the director. Women's Studies courses are offered by various departments throughout the divisions of Arts and Humanities, Behavioral and Social Sciences, and Human and Community Resources. Also, as of last semester, the program offers courses under its own rubric, WMST. New course offerings include:

WMST 200 — WOMEN AND CONTEMPORARY SOCIETY. An interdisciplinary study of the status, roles, and experience of women in contemporary society. Sources from a variety of fields including literature, psychology, history and anthropology, focusing on the writings of women themselves.

WMST 400 — THEORIES OF FEMINISM. A study of feminist theories from an interdisciplinary perspective, including politics, sociology, psychology, anthropology, and philosophy. Prerequisite: a course on women, ideally WMST 200 or consent of the instructor.

WMST 386 and 387 — SUPERVISED FIELD EXPERIENCE

RLED 499A — THE DYNAMICS OF SOCIAL CHANGE: WOMEN AND DEVELOPMENT

HONR 100F — WOMEN AND MADNESS. The idea of illness is a social construct and reflects judgment about how the world should appear and how people should behave in that ideal world. Women, in literature and in many societies, often find their own goals at variance with the dominant culture and when they try to act on these goals, they are considered deviant and even mad.

ENGL 250 — WOMEN AND DRAMA. This course will examine the female character as developed in major works of dramatic literature. Students will apply the tools of literary criticism to twelve to sixteen plays. Class format will be informal with an emphasis on discussion and relating the plays to students' experiences.

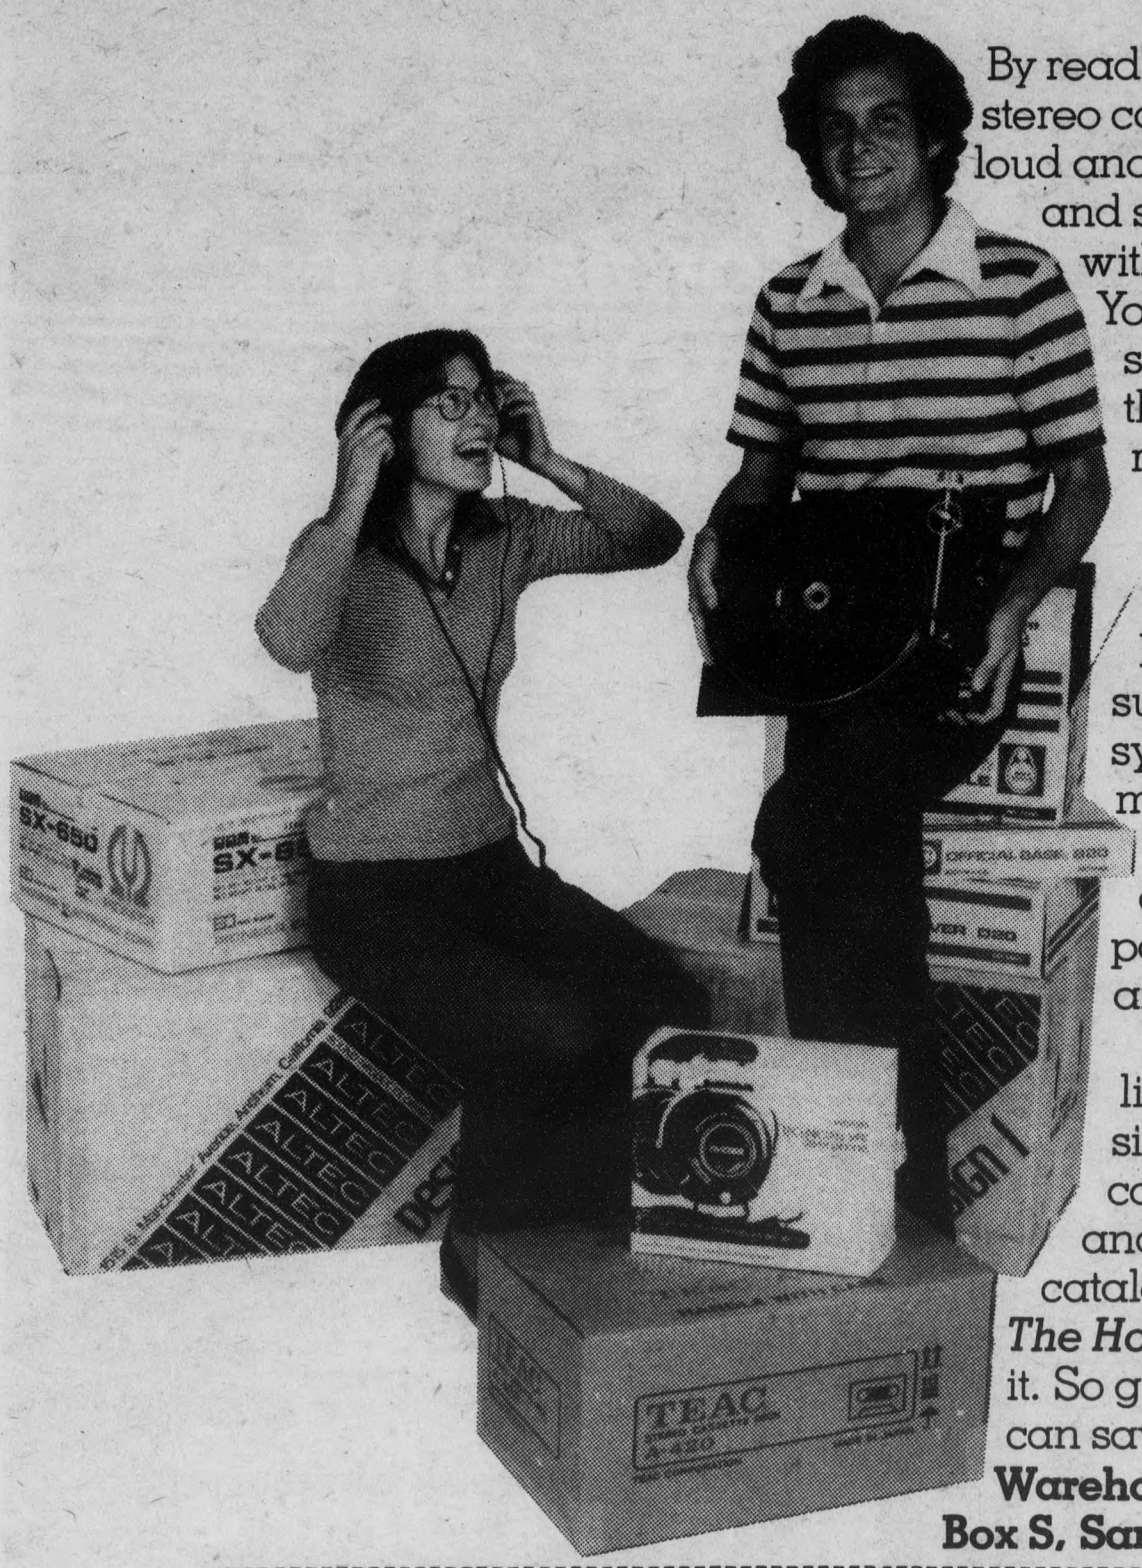
How Bob and Jennie saved a lot of money, their record collection and their relationship.



By reading Warehouse Sound's free 1978 stereo catalog, that's how. Bob liked folk-rock loud and deep, while Jennie liked country high and sweet. They couldn't find a stereo system within their budget that could do both. You know how silly some arguments sound when they start . . . Meanwhile, their old record player was slowly ruining their collection.

In the nick of time the new Warehouse Sound catalog arrived in the mail: 64 pages of information on over 100 brands of stereo components with suggestions for ear-pleasing complete systems at all price levels. They found a music system that could satisfy Bob's bass desires and Jennie's high frequencies for a lot less money than they expected to pay. So far, they've lived happily ever after.

We've helped more than 100,000 people like Bob and Jennie in the seven years since the bright idea hit us: ship stereo components direct to the customer's home and eliminate the middleman's profit. The catalog is free. Our guide to stereo buying, ***The How To Hi-Fi Guide,*** is a dollar and worth it. So give us a try: see how many things **you** can save.

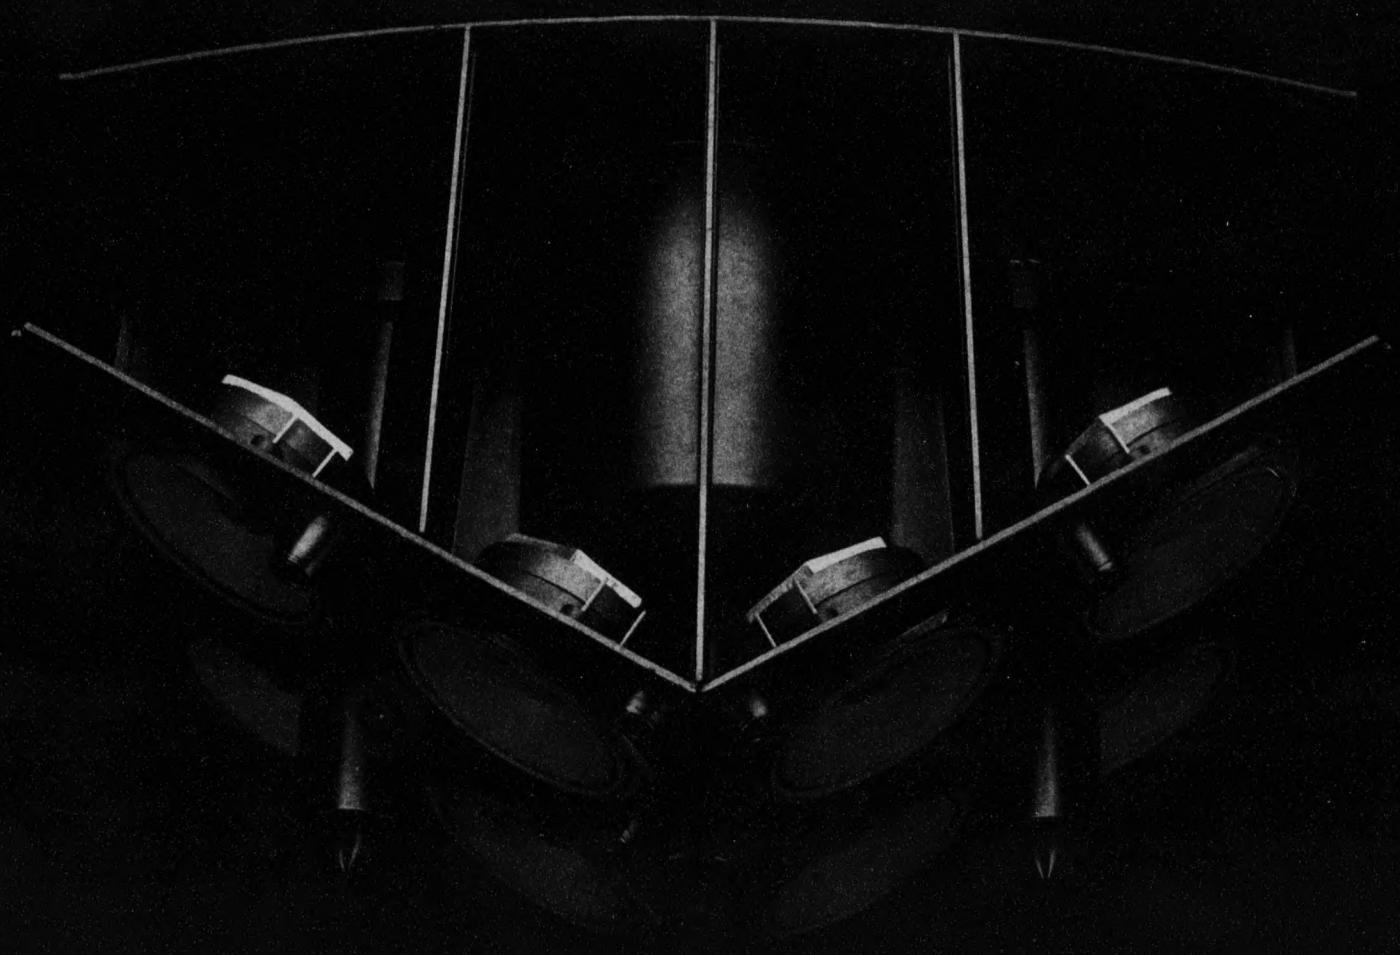
Space Voyager.



The new Bose 901® Series III is a loudspeaker system for the space age.

It reproduces music with a level of realism unrivaled by conventional speakers. Its performance is a result of proven Bose design concepts combined with a whole series of technological innovations, including the futuristic Acoustic Matrix™ enclosure pictured above, nine full-range drivers and an electronic active equalizer.

But most important, the 901 III is designed to explore the world of space in music that conventional earthbound speakers ignore.

Most speakers simply beam sound directly at the listener from a few woofers and tweeters mounted on the front surface of a wooden box. The 901 III, with its nine high-performance drivers mounted in the Acoustic Matrix enclosure, radiates sound forward, to the sides, off the back walls. The entire space is filled with sound—the sound experienced in a live concert hall.

Take your own voyage into space. Visit your nearest Bose dealer and listen to the 901 III and other Bose Direct/Reflecting® speakers.

Models 301, 501, 601 and 901 Series III. Prices from a little over $100.

Spatial Offer.

We're giving away six pairs of Bose 901 Series III speakers. Simply fill out this coupon and we'll send you a questionnaire. Based on your response to this questionnaire, we'll select six students to come expenses paid to Bose to participate in our university audio seminar (and pick up your free speakers). To get free literature on Bose speakers check the appropriate box(es) below.

SELF-INSTRUCTIONAL LANGUAGE PROGRAM

THE FOLA 158 SERIES IS AN INNOVATION IN OUR COURSE OFFERINGS SUPPORTED IN PART BY A PILOT GRANT FROM THE NATIONAL ENDOWMENT FOR THE HUMANITIES. THE PROGRAM IS ESSENTIALLY SELF-INSTRUCTIONAL. THE STUDENT SUPPLIES A BLANK TAPE AND, IN RETURN, RECEIVES A RECORDED TAPE WITH THE WEEKS LESSONS. THERE IS ALSO A MANUAL DESIGNED FOR SELF-INSTRUCTION WHICH THE STUDENT IS REQUIRED TO PURCHASE. A NATIVE-SPEAKING MONITOR WILL BE ASSIGNED TO DRILL THE STUDENT IN THE MATERIAL LEARNED FROM THE TAPE AND THE ACCOMPANYING MANUAL. EVERY EFFORT WILL BE MADE TO ARRANGE DRILL SESSIONS AT TIMES MOST SUITABLE TO ALL PARTICIPANTS IN THE PROGRAM.

THERE WILL BE ONE FINAL EXAMINATION ADMINISTERED BY A QUALIFIED EXAMINER APPOINTED BY THE DIRECTOR . THE ENTIRE SEMESTERS GRADE WILL DERIVE FROM THIS EXAMINATION.

ENROLLMENT IN THE PROGRAM IS STRICTLY LIMITED AND IS BY PERMISSION OF THE DIRECTOR FOLLOWING A PERSONAL INTERVIEW AND APTITUDE TEST. FOR FURTHER DETAILS AND TO SCHEDULE APPOINTMENTS FOR INTERVIEW, PLEASE CONTACT PROFESSOR MACBAIN (LL 3122, EXT. 4303). STUDENTS INTERESTED IN SELF-INSTRUCTIONAL COURSES IN LANGUAGES OTHER THAN THOSE LISTED BELOW SHOULD MAKE THEIR REQUESTS KNOWN AS SOON AS POSSIBLE, SINCE IT MAY BE POSSIBLE TO ACCOMODATE THEM NOW OR IN IN THE NEAR FUTURE.

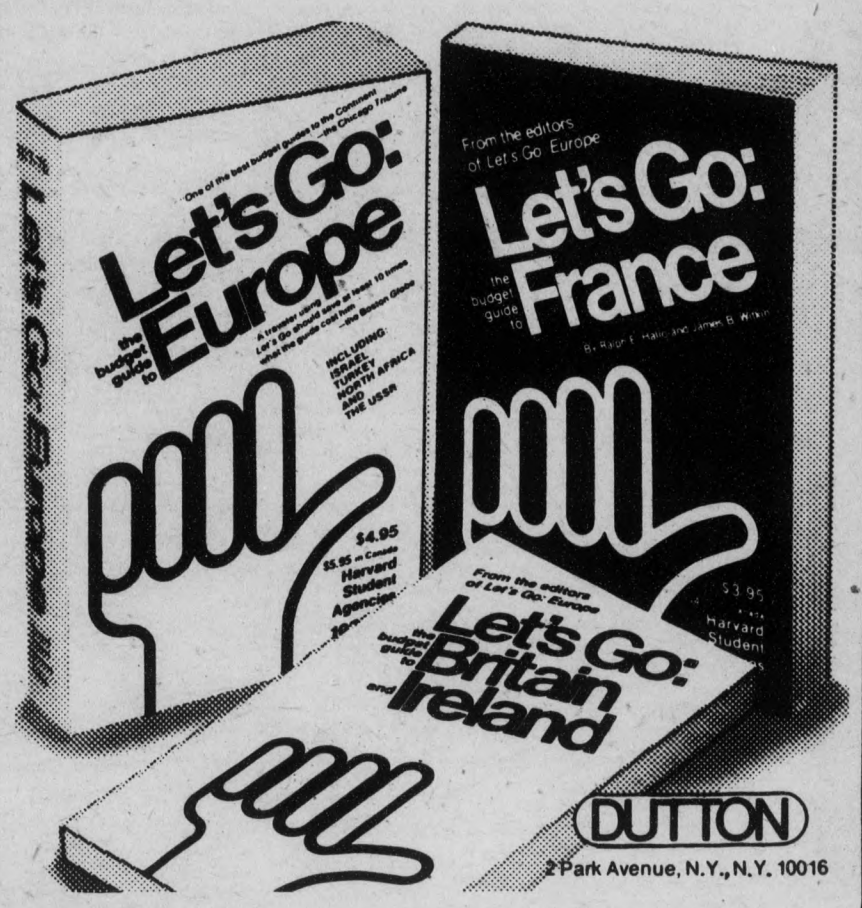
LET'S GO CHEAP!

The Harvard students who put these guides together really get around. To the most exciting cities of Europe. Off the beaten track into the countryside. Discovering bargains everywhere and rechecking each year to see if that nice little hotel has become a tourist trap. In short, these guides are packed with up-to-date information for the adventuresome traveler on a budget. The 1978-79 bestselling LET'S GO EUROPE, now in its twentieth year, and individual country guides are at your bookstore today.



The only cheaper way to see Europe is to enlist

2 months, unlimited Second Class train travel, 15 countries, $250.

Check it out. A Eurail Youthpass is a super deal; the best and cheapest way to see a lot of the Continent. Trains are fast, comfortable, frequent. And they speed you to the heart of cities. Stations are like small towns with everything a traveler needs. You meet fellow backpackers (Europeans, too). You can sleep on board; couchettes are bargains. Your Eurail Youthpass even covers some ferry, steamer and motorcoach rides. Best of all, with the Pass you can stay loose, park where you like, move on at whim. There's always another train you can catch.

To get a Eurail Youthpass you have to be under 26. Both Eurail Youthpass and Eurailpass are sold here through your Travel Agent. You can't buy them in Europe. If you've less than or more than two months, get a Eurailpass. Same idea but you ride First-Class. Available in two or three-week Passes, or one, two, or three-month Passes. If you're not about to enlist why not plan to see Europe with a Eurail Youthpass. No, you won't have to pass a physical.

Eurail Youthpass, Box Q
Staten Island, N.Y. 10305

UNIVERSITY POLICY ON DISCLOSURE OF STUDENT RECORDS (BUCKLEY AMENDMENT)

The University of Maryland adheres to a policy of compliance with the Family Educational Rights and Privacy Act (Buckley Amendment). As such, it is the policy of the University (1) to permit students to inspect their education records, (2) to limit disclosure to others of personally identifiable information from education records without students' prior written consent, and (3) to provide students the opportunity to seek correction of their education records where appropriate.

I. Definitions
- A. "Student" means an individual who is or who has been in attendance at the University of Maryland. It does not include any applicant for admission to the University who does not matriculate, even if he or she previously attended the University. (Please note, however, that such an applicant would be considered a "student" with respect to his or her records relating to that previous attendance.)
- B. "Education records" include those records which contain information directly related to a student and which are maintained as official working files by the University. The following are *not* education records:
  - (1) records about students made by professors and administrators for their own use and not shown to others;
  - (2) campus police records maintained solely for law enforcement purposes and kept separate from the education records described above;
  - (3) employment records, except where a currently enrolled student is employed as a result of his or her status as a student;
  - (4) records of a physician, psychologist, or other recognized professional or paraprofessional made or used only for treatment purposes and available only to persons providing treatment. However, these records may be reviewed by an appropriate professional of the student's choice;
  - (5) records which contain only information relating to a person's activities after that person is no longer a student at the University.

II. It is the policy of the University of Maryland to permit students to inspect their education records.
- A. *Right of Access*
  Each student has a right of access to his or her education records, except confidential letters of recommendation received prior to January 1, 1975, and financial records of the student's parents.
- B. *Waiver*
  A student may, by a signed writing, waive his or her right of access to confidential recommendations in three areas: admission to any educational institution, job placement, and receipt of honors and awards. The University will not require such waivers as a condition for admission or receipt of any service or benefit normally provided to students. If the student chooses to waive his or her right of access, he or she will be notified, upon written request, of the names of all persons making confidential recommendations. Such recommendations will be used only for the purpose for which they were specifically intended. A waiver may be revoked in writing at any time, and the revocation will apply to all subsequent recommendations, but not to recommendations received while the waiver was in effect.
- C. *Types and Locations of Education Records, Titles of Records Custodians*
  Please note that all requests for access to records should be routed through the Registrations Office (see II.D below).

No campus will provide copies of any transcripts in the student's records other than the student's current University transcript from that campus. Official University transcripts (with University seal) will be provided at a higher charge.

  - (3) The University will give annual public notice to students of the categories of information designated as directory information.
  - (4) Directory information may appear in public documents and otherwise be disclosed without student consent unless the student objects as provided above.
- B. *Prior Consent Not Required*
  Prior consent will not be required for disclosure of education records to the following parties:
  - (1) School officials of the University of Maryland who have been determined to have legitimate educational interests:
    a. "School officials" include instructional or administrative personnel who are or may be in a position to use the information in furtherance of a legitimate objective;

Subject to controlling federal law or prior consent, these officials will protect information received so as not to permit personal identification of students to outsiders.
  - (4) Authorized persons and organizations which are given work in connection with a student's application for, or receipt of, financial aid, but only to the extent necessary for such purposes as determining eligibility, amount, conditions and enforcement of terms and conditions.
  - (5) State and local officials to which such information is specifically required to be reported by effective state law adopted prior to November 19, 1974.
  - (6) Organizations conducting educational studies for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction.   - (8) Parents of a student who is a dependent for income tax purposes. (Note: The University may require documentation of dependent status such as copies of income tax forms.)
  - (9) Appropriate parties in connection with an emergency, where knowledge of the information is necessary to protect the health or safety of the student or other individuals.
  - (10) In response to a court order or subpoena. The University will make reasonable efforts to notify the student before complying with the court order.
- C. *Prior Consent Required*
  In all other cases, the University will not release personally identifiable information in education records or allow access to those records without prior consent of the student. Unless disclosure is to the student himself or herself, the consent must be written, signed, and dated, and must specify the records to be disclosed, the identity of the recipient, and the purpose of disclosure. A copy of the record disclosed will be provided to the student upon request and at his or her expense.
- D. *Record of Disclosures*
  The University will maintain with the student's education records a record for each request and each disclosure, except:

  - (3) disclosures to instructional or administrative officials of the University;
  - (4) disclosures of directory information.

  This record of disclosures may be inspected by the student, the official custodian of the records, and other University and governmental officials.

IV. It is the policy of the University of Maryland to provide students the opportunity to seek correction of their educational records.
- A. *Request to Correct Records*
  A student who believes that information contained in his or her education records is inaccurate, misleading, or violative of privacy or other rights may submit a written request to the Office of Registrations specifying the document(s) being challenged and the basis for the complaint. The request will be sent to the person responsible for any amendments to the record in question. Within a reasonable period of time of receipt of the request, the University will decide whether to amend the records in accordance with the request. If the decision is to refuse to amend, the student will be so notified and will be advised of the right to a hearing. He or she may then exercise that right by written request to the Office of the Chancellor.
- B. *Right to a Hearing*
  Upon request by a student, the University will provide an opportunity for a hearing to challenge the content of the student's records. A request for a hearing should be in writing and submitted to the Office of Registrations. Within a reasonable time of receipt of the request, the student will be notified in writing of the date, place, and time reasonably in advance of the hearing.
  - (1) *Conduct of the Hearing*
    The hearing will be conducted by a University official who does not have a direct interest in the outcome. The student will have a full and fair opportunity to present evidence relevant to the issues raised and may be assisted or represented by individuals of his or her choice at his or her own expense, including an attorney.
  - (2) *Decision*
    Within a reasonable period of time after the conclusion of the hearing, the University will notify the student in writing of its decision. The decision will be based solely upon evidence presented at the hearing and will include a summary of the evidence and the reasons for the decision. If the University decides that the information is inaccurate, misleading, or otherwise in violation of the privacy or other rights of students, the University will amend the records accordingly.
- C. *Right to Place an Explanation in the Records*
  If, as a result of the hearing, the University decides that the information is not inaccurate, misleading, or otherwise in violation of the student's rights, the University will inform the student of the right to place in his or her record a statement commenting on the information and/or explaining any reasons for disagreeing with the University's decision. Any such explanation will be kept as part of the student's record as long as the contested portion of the record is kept and will be disclosed whenever the contested portion of the record is disclosed.

V. Right to File Complaint
A student alleging University noncompliance with the Family Educational Rights and Privacy Act may file a written complaint with the Family Educational Rights and Privacy Act Office (FERPA), Department of HEW, 330 Independence Avenue, S.W., Washington, D.C. 20201.

In accordance with the University Policy on Disclosure of Student Records, forms are available at the Registrations Counter, North Administration Building.

Any student who wishes to limit the disclosure of data/information as stated in this policy or wishes access to his/her official records should complete the appropriate form and return it to the Registrations Counter.

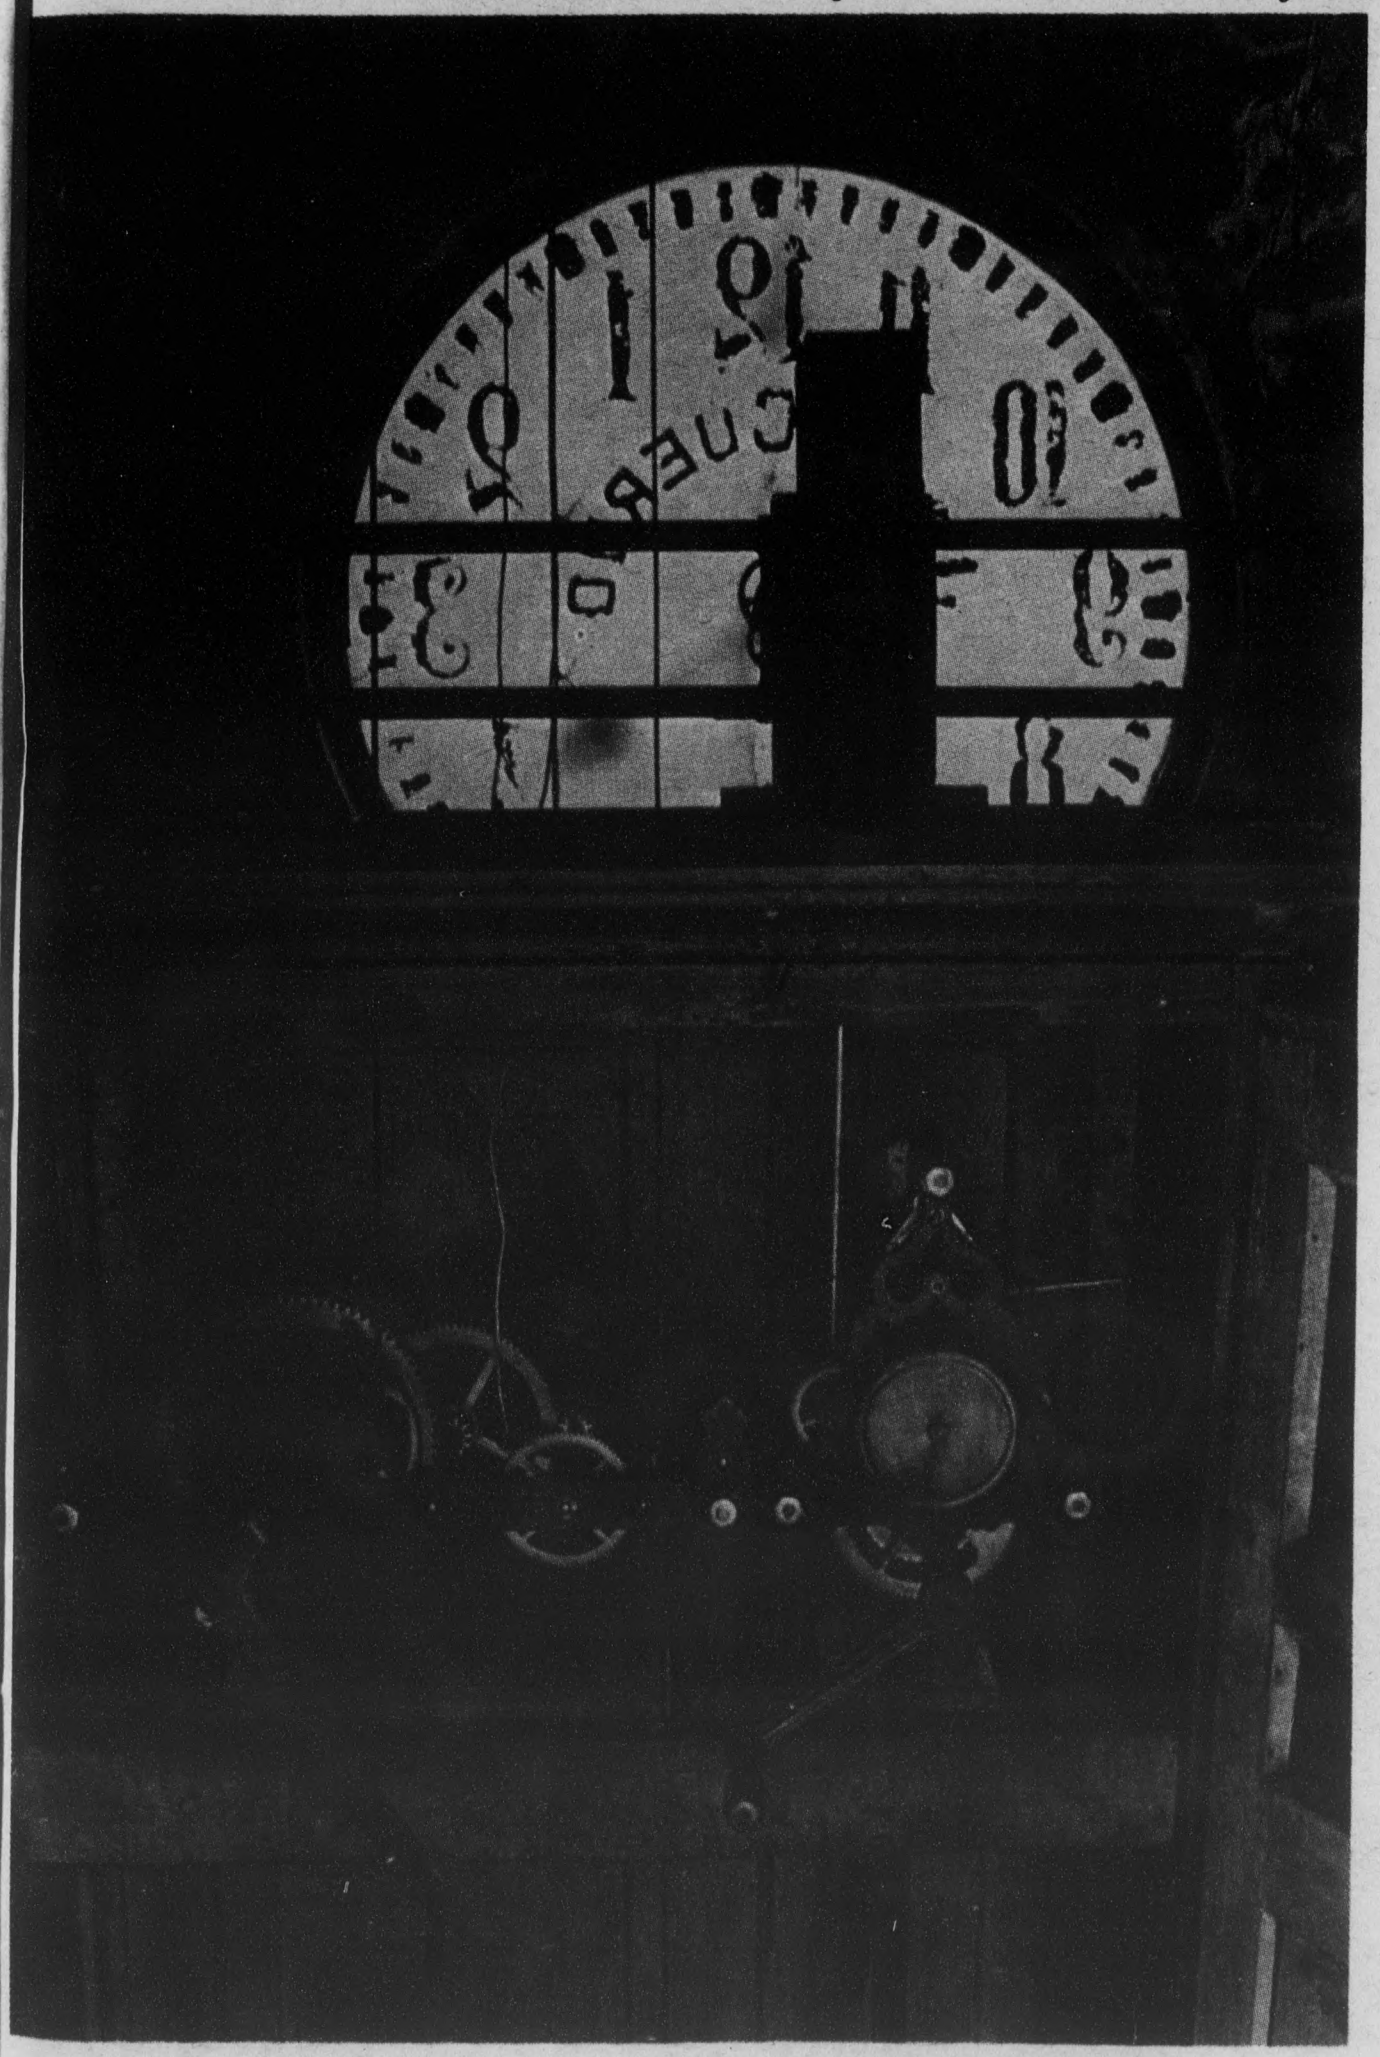
For centuries we've wound our clock by hand. And for centuries we've made Cuervo Gold by hand.

Time stands still at our distillery where we still make Cuervo Gold by hand.



It takes longer to do things by hand. But taking the time to make Cuervo Gold its best has always been worth every second.

For at the Cuervo distillery it's almost as if time has stood still.

Our Blue Maguey plants are nurtured by hand, picked by hand, and carried to the ovens by hand, as they have been since 1795.

It is this continuing dedication to tradition that makes Cuervo Gold special. Versatile and adaptable. With a taste beyond compare. Neat, on the rocks, with a splash of soda, in the perfect Sunrise or Margarita, Cuervo Gold will bring you back to a time when quality ruled the world.

Cuervo.
The Gold standard since 1795.

You won't believe the sound. You'll never believe the price.

Magnavox Modulars. They're packed with everything that goes into super stereo—except a high price tag. For example, the 1725 has:

☐ a solid-state stereo FM/AM tuner-amplifier to pull in those weak stations you'd like to listen to, and to keep them from drifting;

☐ a 3-speed automatic turntable with diamond stylus and smoked plastic dustcover;

☐ a built-in 8 track recorder/player;

☐ a pair of newly-designed 2-way tuned-vent speakers to give you rich, deep bass with astonishing efficiency;

☐ a price that's surprisingly low for such high performance.

Why not stop by your Magnavox dealer and tell him you'd like big sound at a small price. He'll know just what to show you.
